Mr. A. L. Porter
New Mexico Oil Conservation Commission
P. O. Box 871
Santa Fe, New Mexico

Dear Mr. Porter:

As provided for in Order No. R-179-3, Rule 4B, covering the Escrito-Gallup field, ValR. Reese & Associates, Inc. request administrative approval to drill their #6-22 Lybrook well on an unorthodox location. The #6-22 Lybrook well will be a Gallup completion, located 1570 feet from the East line, and 2300 feet from the North line of Section 22, Township 24 North, Range 7 West, Escrito-Gallup Field, Rio Arriba County, New Mexico.

The unorthodox location is requested because of the extreme topographic conditions in the area north and west of the proposed location. Val R. Reese & Associates, Inc. are offset operators of all of the acreage surrounding this well.

Very truly yours,

Morris B. Jones
