Mr. A. L. Porter Jr.
Secretary - Director
New Mexico Oil Conservation Commission
P.O. Box 871
Santa Fe, New Mexico

Dear Mr. Porter:

Your administrative order NSL-290 dated March 5, 1962 authorized Redfern and Herd, Inc. to drill an unorthodox location located 2200 feet from the South line and 1450 feet from the West line of Section 2, Township 29N, Range 13W, Basin Dakota Pool, San Juan County, New Mexico.

An error has occurred in transcribing the footage measurement of the well. The correct measurement is 2220 feet from the South line and 1450 feet from the West line of Section 2, Township 29N, Range 13W, Basin Dakota Pool, San Juan County, New Mexico.

Pioneer Production Corporation has taken over operation of this well from Redfern and Herd, Inc.

Pioneer Production Corporation is requesting administrative approval to drill the unorthodox location known as the Scott #1.

Very truly yours,

Original signed by T. A. Dugan
