Attention Mr. A. L. Porter

Dear Mr. Porter:

Shell Oil Company respectfully requests your permission under Rule 104 to move one of the approved unorthodox water injection well locations issued under your Order No. R-2747. This move is necessary in order to avoid overhead electrical lines. The desired change is as follows:

<u>Well Number</u>	<u>Unorthodox Location Approved</u>	<u>Unorthodox Location Desired</u>
WIW No. 4	20 feet from the south line and 1340 feet from the west line, Section 21, T-24-S, R-37-E, NMPM, Lea County, New Mexico	5 feet from the south line and 1340 feet from the west line, Section 21, T-24-S, R-37-E, NMPM, Lea County, New Mexico

We have written Continental Oil Company and Amerada Petroleum Corporation, the offset operators, asking them to send waivers on this move directly to your office.

Very truly yours,

T. H. Dwyer
Division Production Manager

Attention of Mr. A. L. Porter, Jr., Secretary-Director

Gentlemen:

Re: Commission Order R-2747
Case 3081 Shell Oil Company
Langlie-Mattix Black
Waterflood Project

We have been informed of Shell Oil Company's proposal to move its WIW No. 4 from the unorthodox location approved under Commission Order R-2747 to the location 5 feet from the south line and 1340 feet from the west line, Section 21, T-24S, R-37E, Lea County, New Mexico.

It is our understanding that this change of location is necessary to avoid overhead electrical lines.

Continental Oil Company, an offset operator, hereby waives notice and hearing in regard to the well location change described above.

Yours very truly,

JM-MLH

Attention Mr. A. L. Porter

Gentlemen:

We have no objections to Shell Oil Company's proposal to move its WIW No. 4 from the approved unorthodox location issued under Commission Order No. R-2747 to 5 feet from the south line and 1340 feet from the west line, Section 21, T-24-S, R-37-E, NMPM, Lea County, New Mexico. We understand this move is necessary in order to avoid overhead electrical lines.

Very truly yours,

AMERADA PETROLEUM CORPORATION
Woolworth Unit Operator
