Mr. A. L. Porter
Oil Conservation Commission
Box 2088
Santa Fe, New Mexico

Dear Mr. Porter:

AAA Fishing Tool Co. Inc. is requesting administrative approval to drill an unorthodox location located 1450' fcl and 2510' fsl, Sec. 15, T 32 N, R 18 W, San Juan County, New Mexico. The location of the well is 130' from the north line and 130' from the east line of the proration unit boundary.

It is necessary to locate the proposed well at this point because of topography and the inaccessibility of a high mesa to the south of this location, as indicated by the enclosed plat.

By copy of this letter, we are requesting approval from Murphy Corp., the only offset operator.

Sincerely,

Thomas A. Dugan
