Gentlemen:

Tenneco Oil Company requests an exception to Tapicito Gallup Field Rule 4a for the above referenced well. This well is now completed in the Basin Dakota Field and is an orthodox location in this respect. This request is made so that we may dually complete this well in the Tapicito Gallup Pool.

A request for a waiver has been forwarded to offset operator, Pan American Petroleum Corporation, with the request that they forward their approval or objection directly to your office.

Very truly yours,

TENNECO OIL COMPANY
