Rio Arriba County, New Mexico  
East Puerto Chiquito Mancos Field

Benson-Montin-Greer Drilling Corp. as operator of communitized quarter section proposes to drill a Mancos Formation well in the NE $\frac{1}{4}$  of Section 9, Township 26 North, Range 1 East. Because of the rough terrain of the area, the well site has been located 270 feet from the north line and 825 feet from the east line of the section. A plat of the proposed location is attached for your information.

Benson-Montin-Greer Drilling Corp. owns record title and/or operating rights of the direct and diagonal offset acreage to this proposed location.

We respectfully request approval of the New Mexico Oil Conservation Commission for the drilling of a well at the above described unorthodox location.

Cordially yours,

BENSON-MONTIN-GREER DRILLING CORP.
