Attention: Mr. V. M. Hollrah

Administrative Order NSL-598

Gentlemen:

Reference is made to your application for approval of an unorthodox gas well location for your W. H. Turner Well No. 1, located 990 feet from the West line and 2310 feet from the South line of Section 29, Township 21 South, Range 37 East, NMPM, Blinebry Gas Pool, Lea County, New Mexico.

By authority granted me by the provisions of Rule 104 F of the Commission Rules and Regulations, the above-described unorthodox location is hereby approved.

Inasmuch as 160 acres is now dedicated to the W. H. Turner Well No. 1, the gas proration unit in the Blinebry Gas Pool becomes a standard proration unit and NSP-839, approval of a 120-acre non-standard unit, is hereby cancelled.

Very truly yours,

A. L. PORTER, Jr.
