Attention: Mack Easley

Administrative Order NSL-621

Gentlemen:

Reference is made to May Petroleum Inc.'s application for approval of an unorthodox oil well location for its Wallace Well No. 1 to be located 1650 feet from the South line and 1129 feet from the East line of Section 31, Township 11 South, Range 38 East, NMPM, North Gladiola-Devonian Pool, Lea County, New Mexico. It is our understanding that this unorthodox location is necessitated by the existence of an old well and a buried pipeline at a standard location.

By authority granted me under the provisions of Rule 104 F of the Commission Rules and Regulations, the above-described unorthodox location is hereby approved.

Very truly yours,

A. L. PORTER, Jr.
