Dear Mr. Porter:

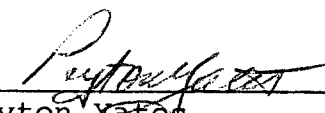

We submit this letter with attachments in request for administrative approval for a Queen gas producer located in NE NE Section 28-T15S-R29E and called the CG Kimes #1. The well was drilled in 1948 on a standard oil well location and prior to the issuance of NMOCC Order No. R-4435 establishing spacing rules for Queen gas wells.

Proper notification of offset operators has been completed. Copies of approvals received from two operators are included. At this time we have not received a notice from Mr. Jack Grynberg.

An applicable land ownership plat is enclosed.

Yours truly,

YATES PETROLEUM CORPORATION
