Reentry of Plugged Well
Barbara Fasken - Operator
Mobil "10" Federal #1
Sec 10, T21S, R24E
Eddy County, New Mexico

Dear Sir:

Barbara Fasken respectfully requests administrative approval of an unorthodox location for the Mobil "10" Federal #1. The proposed location is 380' FSL & 1182' FWL, Sec 10, T21S, R24E, Eddy County, New Mexico. This is a re-entry of a plugged well drilled and abandoned in the Morrow zone by David Fasken. It is requested that this spacing exception be applicable to the Indian Basin (Strawn) Field as well as possible completions in the Atoka, Wolfcamp and Cisco-Canyon zones.

Waivers of objection from offset operators Yates Petroleum Corp. and Daniel Gonzales are attached. Other offset operators or mineral interest owners are Barbara Fasken, State of New Mexico and the U. S. Federal Government.

Attached also are topographic and ownership maps, and survey plat. Thank you for your help in this matter.

Sincerely,

Carl W. Brown
