Gentlemen:

Reference is made to the application of Northern Natural Gas Company for approval of a non-standard location for its McGruder Hill Federal Unit Well No. 1, located 1980 feet from the North line and 660 feet from the East line of Section 13, Township 22 South, Range 25 East, NMPM, a wildcat, Eddy County, New Mexico.

Waivers of objection have been received from offsetting operators and the waiting period prescribed by Rule 104 F may be dispensed with in this instance.

Very truly yours,
