Administrative Order NSL-885

Gentlemen:

Reference is made to Rial Oil Company's application for approval of a non-standard location for their Rock Tank Federal Well No. 1 to be located 1315 feet from the South line and 2080 feet from the West line of Section 31, Township 22 South, Range 25 East, NMPM, Eddy County, New Mexico.

Waivers having been received from all offsetting operators, the waiting period may be dispensed with in this instance.

By authority granted me under the provisions of Rule 5 of Order No. R-3428, the above-described unorthodox location is hereby approved.

Very truly yours,
