Re: Flint #2
2310 FWL & 330 FSL
Sec. 25, T-17S, R-25E
Eddy County, New Mexico

Gentlemen:

This well was drilled originally to the Devonian and plug back to the Morrow. Since the Morrow has depleted, we have recompleted in the Permian Penn Zone; and we request administrative approval for producing the Permian Penn Zone completed as a gas well.

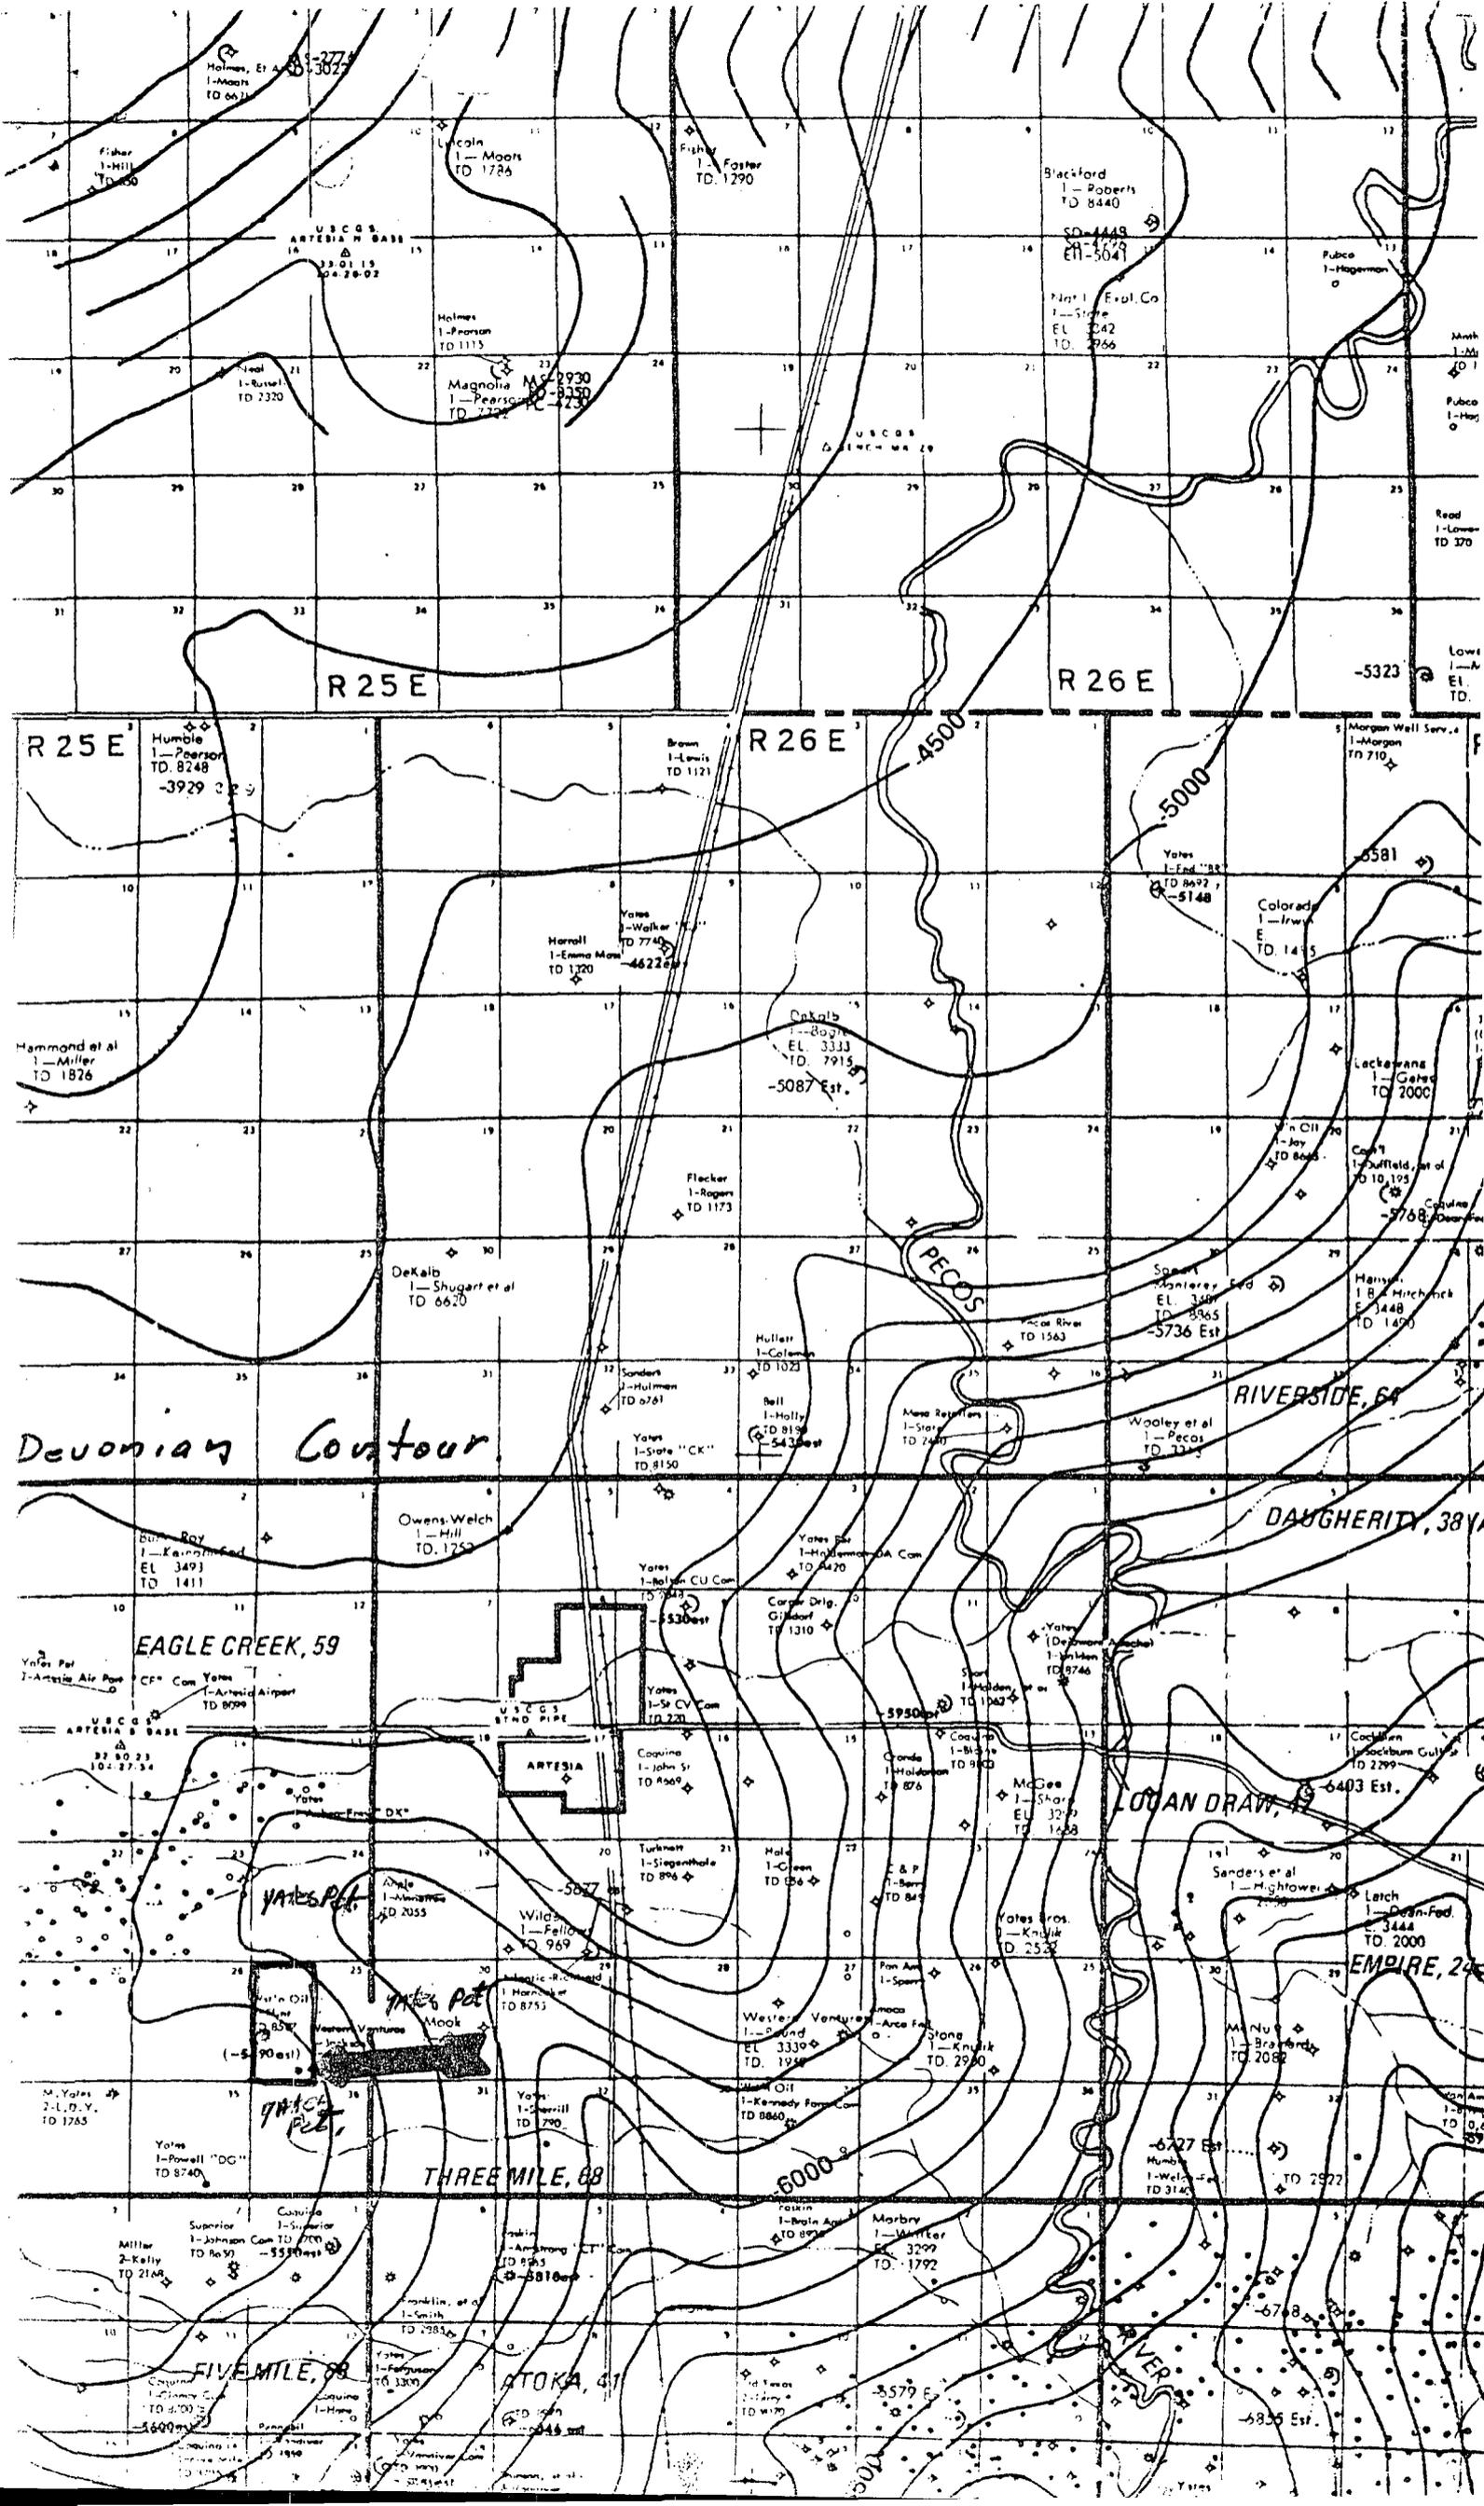

Attached are the location plats showing the offset operators to be Yates Petroleum Corporation, which I believe you already have the Waiver from.

Yours truly,

WESTERN OIL PRODUCERS, INC.

Dear Sir:

Yates Petroleum Corporation has no objections to the Permo Penn completion by Western Oil Producers, Inc. of the Flint #2 at an unorthodox location, 330 FSL and 2310 FWL of Section 25, T-17-S, R-25-E, Eddy County, New Mexico.

Very truly yours,

YATES PETROLEUM CORPORATION
