Re: Administrative Order NSL-945

Gentlemen:

Reference is made to your application for a non-standard location for your Schalk 29-4 Well No. 11 located 610 feet from the South line and 660 feet from the East line of Section 23, Township 29 North, Range 4 West, NMPM, Choza Mesa-Pictured Cliffs Pool, Rio Arriba County, New Mexico.

By authority granted me under the provisions of Rule 104 F of the Division Rules and Regulations, the above-described unorthodox location is hereby approved.

Very truly yours,
