Administrative Order NSL-986

Gentlemen:

Reference is made to your application for a non-standard location for your San Juan 28-7 Unit Well No. 22A to be located 1940 feet from the South line and 1690 feet from the East line of Section 17, Township 28 North, Range 7 West, NMPM, Blanco Mesaverde Pool, Rio Arriba County, New Mexico.

As there are no offset operators, the waiting period can be dispensed with.

By authority granted me under the provisions of Rule 104 F of the Division Rules and Regulations, the above-described unorthodox location is hereby approved.

Very truly yours,
