Attention: Clarence R. Chandler

Administrative Order NSL-1013

Gentlemen:

Reference is made to your application for a non-standard location for your South Langlie Jal Unit Well No. 28 to be located 1923 feet from the South line and 1111 feet from the East line of Section 18, Township 25 South, Range 37 East, NMPM, Jalmat Oil Pool, Lea County, New Mexico.

Since this is an interior location, the waiting period can be dispensed with.

By authority granted me under the provisions of Rule 104 F of the Division Rules and Regulations, the above-described unorthodox location is hereby approved.

Very truly yours,

JOE D. RAMEY,
Director
