Application for Administrative Approval of Unorthodox Location
XTO Energy Inc.'s Ute Indians A No. 39
1,580' FNL and 925' FEL, Section 27, T32N, R14W
San Juan County, New Mexico
Barker Dome Paradox Formation

Dear Mr. Fesmire:

XTO Energy Inc. hereby requests administrative approval for an unorthodox location for the above referenced well. Attached for your reference are the following exhibits:

1. Well location plat (NMOCD Form C-102)
2. Topographic map
3. Aerial photograph
4. Ownership map
5. Production map showing Paradox Formation Gas Production

The well was drilled at the proposed location in 2006 due to surrounding topography. The rugged terrain in the area prohibited a feasible legal location. XTO intends to downhole commingle the Barker Dome Paradox Formation with Barker Dome Ismay, Desert Creek, and Akah/Upper Barker Creek Formations. Producing the Barker Dome Paradox from the above referenced well at the chosen location will best preserve the surrounding surface while effectively and efficiently producing gas from the commingled formations. The existing Ute Indians A No. 36 no longer produces from the Barker Dome Paradox.

All of the offset operators have been notified of this application by certified mail as have the Ute Mountain Ute Tribe and Bureau of Indian Affairs, and copies of the letters and receipts are enclosed.

Dear Mr. Spencer:

I have before me your application for NSL approval for the referenced well.

It appears from the materials attached to your application that XTO is the owner of the offsetting unit to the east (Section 26-32N-14W). However, unless either XTO is owner of 100% of the working interest in Section 27, or working interest ownership in Section 27 is identical to that in Section 26, OCD Rule 1210 would require notice of this application to working interest owners in Section 27.

If XTO is owner of 100% of the working interest in Section 27, or if working interest ownership in Section 27 is identical to that in Section 26, please specifically confirm that such is the case.

Should you have questions, please feel free to call the undersigned at (505)-476-3450.

Very truly yours,

David K. Brooks,
Assistant General Counsel
