Dear Mr. Brooks:

Attached is a copy of an administrative application for NMOCD approval for an unorthodox well location.

With your approval it is our intention to recompleate the C.H. Weir B #8 as a gas well in the Skaggs Abo reservoir. The subject well is currently DHC, producing the Monument Tubb and the Skaggs Drinkard reservoirs. The proposed recompletion to the Abo would create an unorthodox well location. If approved, the well will be DHC and produce as part of the Skaggs Abo field.

A copy of this letter was mailed via certified mail to all affected offset operators. A list of all offset operators is attached.

If you have any questions concerning this application, please contact Richard Jenkins at (432) 631-3281.

Sincerely,

RICHARD A. JENKINS
