Application for Unorthodox Location
Gallegos Canyon Unit No. 110E
San Juan County, New Mexico

*NSL - 1070
Rule 3 order R 1670-U
Immediate
Basin Dakota Pool*

Amoco Production Company hereby requests administrative approval of an unorthodox location for the Gallegos Canyon Unit No. 110E, to be drilled 640' FEL and 1970' FSL, Section 19, T29N, R12W, San Juan County, New Mexico. We request approval of our application due to a highway passing through the NW/4 and SE/4 and irrigated fields and a housing development in the SW/4 and SE/4. As shown on the attached map, the subject well will be located well within the bounds of the Gallegos Canyon Unit Dakota Participating Area which is operated solely by Amoco Production Company. Therefore, all offset acreage is operated by Amoco Production Company.

Also, attached for your use is a topographic map of the proposed drilling location.
