Dear Mr. Ramey:

This is a request for administrative approval for an unorthodox gas well location in the Blanco Mesa Verde pool.

It is intended to locate the El Paso Natural Gas Company's Sharp #2A at 1830' from the North line and 2090' from the East line of Section 18, T-28-N, R-8-W, San Juan County, New Mexico.

*Blanco Mesa Verde
Pool*

A Navajo Indian Irrigation flume and the Largo Wash (or arroyo) run through the northeast corner of this section and make it impossible to build an orthodox gas well location.

As shown on the attached Mesa Verde ownership plat, this lease is completely surrounded by other El Paso Natural Gas Company leases; therefore, no other operators have been notified of this request.

Plats showing the proposed well location and the terrain of Section 18, along with an ownership plat, are attached.

Yours truly,

L. A. Aimes
