Dear Mr. Ramey:

Enclosed are the following items regarding the Application for Administrative Approval of the Unorthodox Location of the KR #10 Well which is located in the SE/4 of Section 19, Township 27 North, Range 13 West, N.M.P.M., San Juan County, New Mexico.

1. Three copies of the Application for Administrative Approval of the Unorthodox Location for the KR #10 Well.
2. Three copies of a plat showing the ownership of all leases offsetting the SE/4 of Section 19, Township 27 North, Range 13 West, N.M.P.M. This plat also shows all of the wells completed on these leases.
3. Three copies of a letter from an official of the Navajo Indian Irrigation Project requesting the location of this well so as not to interfere with the sprinkler systems of the Project.

Dear Mr. Ramey:

Dugan Production Corporation, Farmington, has contacted our office regarding location of a gas well, KR # 10, Section 19, T. 27N., R11W., NMPM.

In order to reduce interference with the sprinkler irrigation systems of the Navajo Indian Irrigation Project we requested the well be at the following location and that no well or production equipment exceed two feet above ground surface elevation.

2000 'FSL - 1850' FEL

We understand this is at an unorthodox location which requires approval of your office. In order to minimize the long term interference with the Project irrigation systems we request that you approve this location.

Your cooperation will be appreciated.

Sincerely yours,

Albert L. Keller  
Project Manager
