Re: Conoco AGK Federal #4

Dear Richard:

April 4, 2007, we requested Downhole commingling approval on said well. We requested approval of the Strawn, Atoka, Morrow and Chester for commingling but were only given approval of three zones. I assume that you inadvertently overlooked the Chester which was located on page two. Could you please make a correction to our DHC-3887?

If you have any questions or need additional information, please call me at (505) 748-4361.

Sincerely,

A handwritten signature in cursive script that reads 'Debbie Chavez'.
