Gentlemen:

Reference is made to your application for approval of a non-standard location for your F. M. Burleson Well No. 3 to be located 330 feet from the North line and 330 feet from the West line of Section 8, Township 25 South, Range 37 East, NMPM, Jalmat Gas Pool, Lea County, New Mexico.

Also, you are hereby authorized to simultaneously dedicate an existing 160-acre proration unit, previously approved by NSP-624, and comprising the NW/4 of said Section 8 to your Burleson Well No. 2 in Unit F and your Burleson Well No. 3 in Unit D of said section, Lea County, New Mexico. Further, you are hereby permitted to produce the allowable from any of the wells on the proration unit in any proportion.

By authority granted me under the provisions of Rule 3 of Order No. R-1670, the above-described unorthodox location is hereby approved.
