Dear Mr. Ramey:

This is a request for administrative approval for an unorthodox gas well, location in the depth of 2000 feet.

It is intended to locate the Cougar Well, Phelps-Dodge 1-~~44~~ Wildcat, @ 3148 feet from the East line and 1123 feet from the South line, Sec. 14, T28N, R20E, Colfax County, New Mexico.

Extremely rough terrain in the form of steep cliffs in the west of this section makes it impossible to build an orthodox gas well location.

Cougar Petroleum operates all proration units offsetting the proposed unorthodox location.

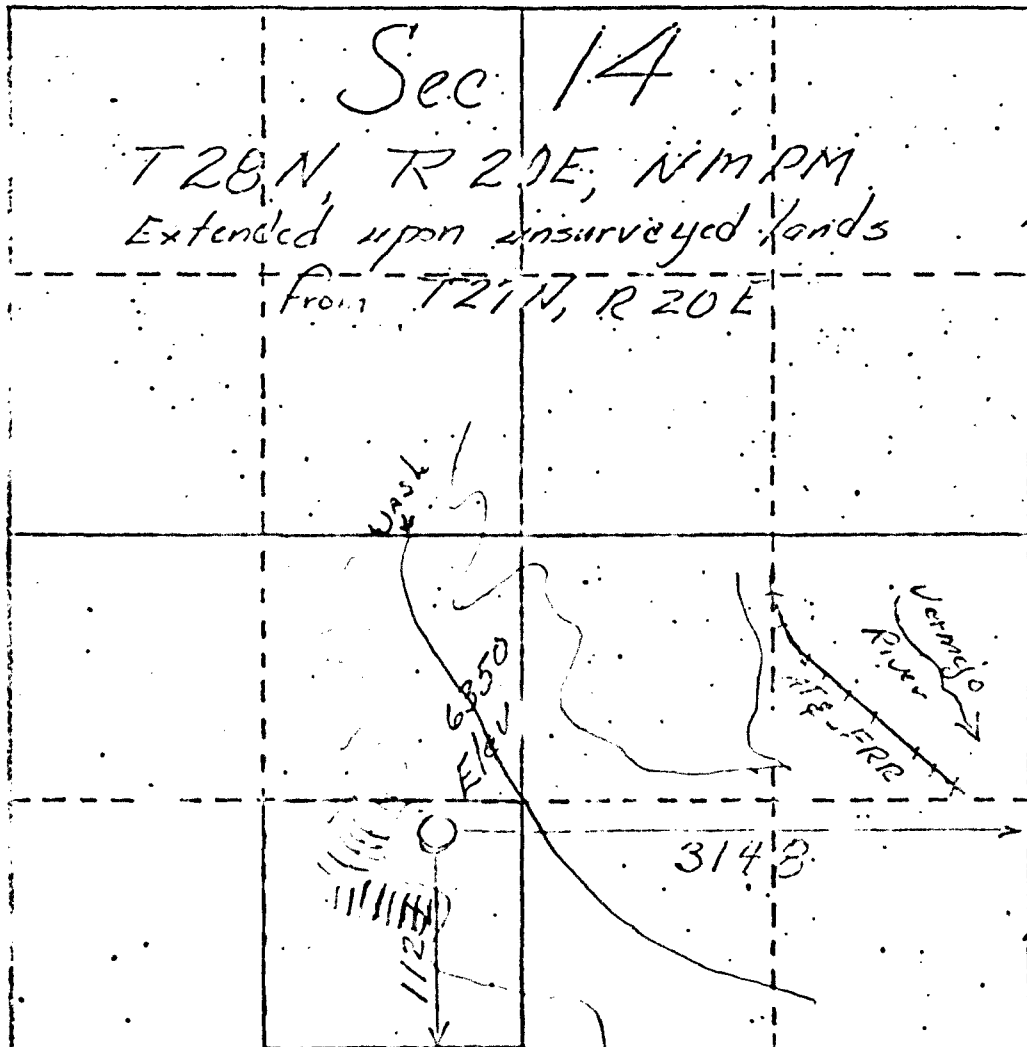

Plats showing the proposed well location and the terrain of Section ~~9~~, along with an ownership plat, are attached.

Sincerely yours,

Cecil Gustin
