Application for Non-Standard Location
Rosa Unit No. 86
Basin Dakota Field
Rio Arriba County, New Mexico

Reference is made to your letter of April 23, 1981 in which you requested a plat showing all offset lease holders, and a statement that the lease holders have been notified of the application by certified mail.

A 9-Section plat is attached which illustrates that the only offset owner is Trans Delta Oil & Gas Co. which holds the rights to the base of the Dakota Formation on 20.38 acres in the SW/4 NW/4, Section 27, T31N, R4W.

A certified letter has been sent to Trans Delta Oil & Gas Co. informing them of the application for a non-standard location.

Yours very truly,
