Application is hereby made for an administrative approval for unorthodox locations for subject wells. These wells were moved to the above mentioned locations by the Bureau Of Land Management due to topographical constraints as indicated on the attached topographic plat.

Offset Operators/Lease Holders have been provided a copy of this letter by Certified Mail.

Expeditious handling of this request and issuance of appropriate administrative order is appreciated.

Yours very truly,

Dear Mr. Stamets:

Subject: Mesa Petroleum Co
Macho Federal #4 & #6
Chaves County, New Mexico

In response to your request of August 18, 1981 regarding additional information on subject wells, please find attached a land plat showing ownership of the offsetting leases. These wells are to be drilled as ABO development wells with 160 acres assigned to each well.

Yours truly,

R.E. Mathis

Re: Application for Non-Standard
Location: Macho Federal Wells
Nos. 4 and 6, Chaves County

We may not process the subject application for non-standard location until the required information or plats checked below (is)(are) submitted.

- ☒ A plat must be submitted clearly showing the ownership of the offsetting leases.
- ☐ A statement must be submitted that offset owners have been notified of the application by certified mail.
- ☐ A plat must be submitted fully identifying the topography necessitating the non-standard location.
- ☒ Other: Please indicate the formation(s) proposed for completion or testing.

Very truly yours,

R. L. STAMETS
Technical Support Chief
