Attention: Joe D. Ramey

Gentlemen:

Please disregard our letter dated May 7, 1982 requesting administrative approval for an unorthodox location for our Jicarilla 20 Well No. 11. The Administrative Order NSL-1527 can be cancelled.

We were able to stake the well in an orthodox location of 990' FSL & 2100' FEL, Sec. 18, T-25N, R-4W, Rio Arriba County, New Mexico.

Contact this office if any further information is required.

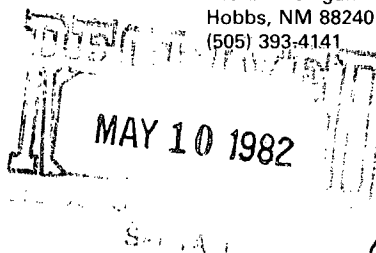

Yours very truly,

  
LLG:vjk

Attention: Richard L. Stamets

Gentlemen:

Conoco Inc. respectfully requests administrative approval for an unorthodox location due to topographical reasons for our Jicarilla 20 Well No. 11 located 1050' FSL & 2100' FEL, Section 18, T-25N, R-4W, Rio Arriba County, New Mexico. The subject well will be drilled to a total depth of 7750' and completed as a West Lindrith Gallup Dakota well. Anticipated spud date is June 1, 1982. *Poo/*

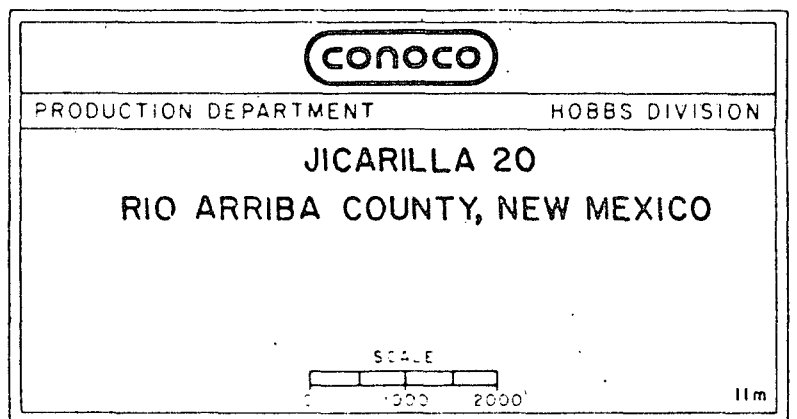

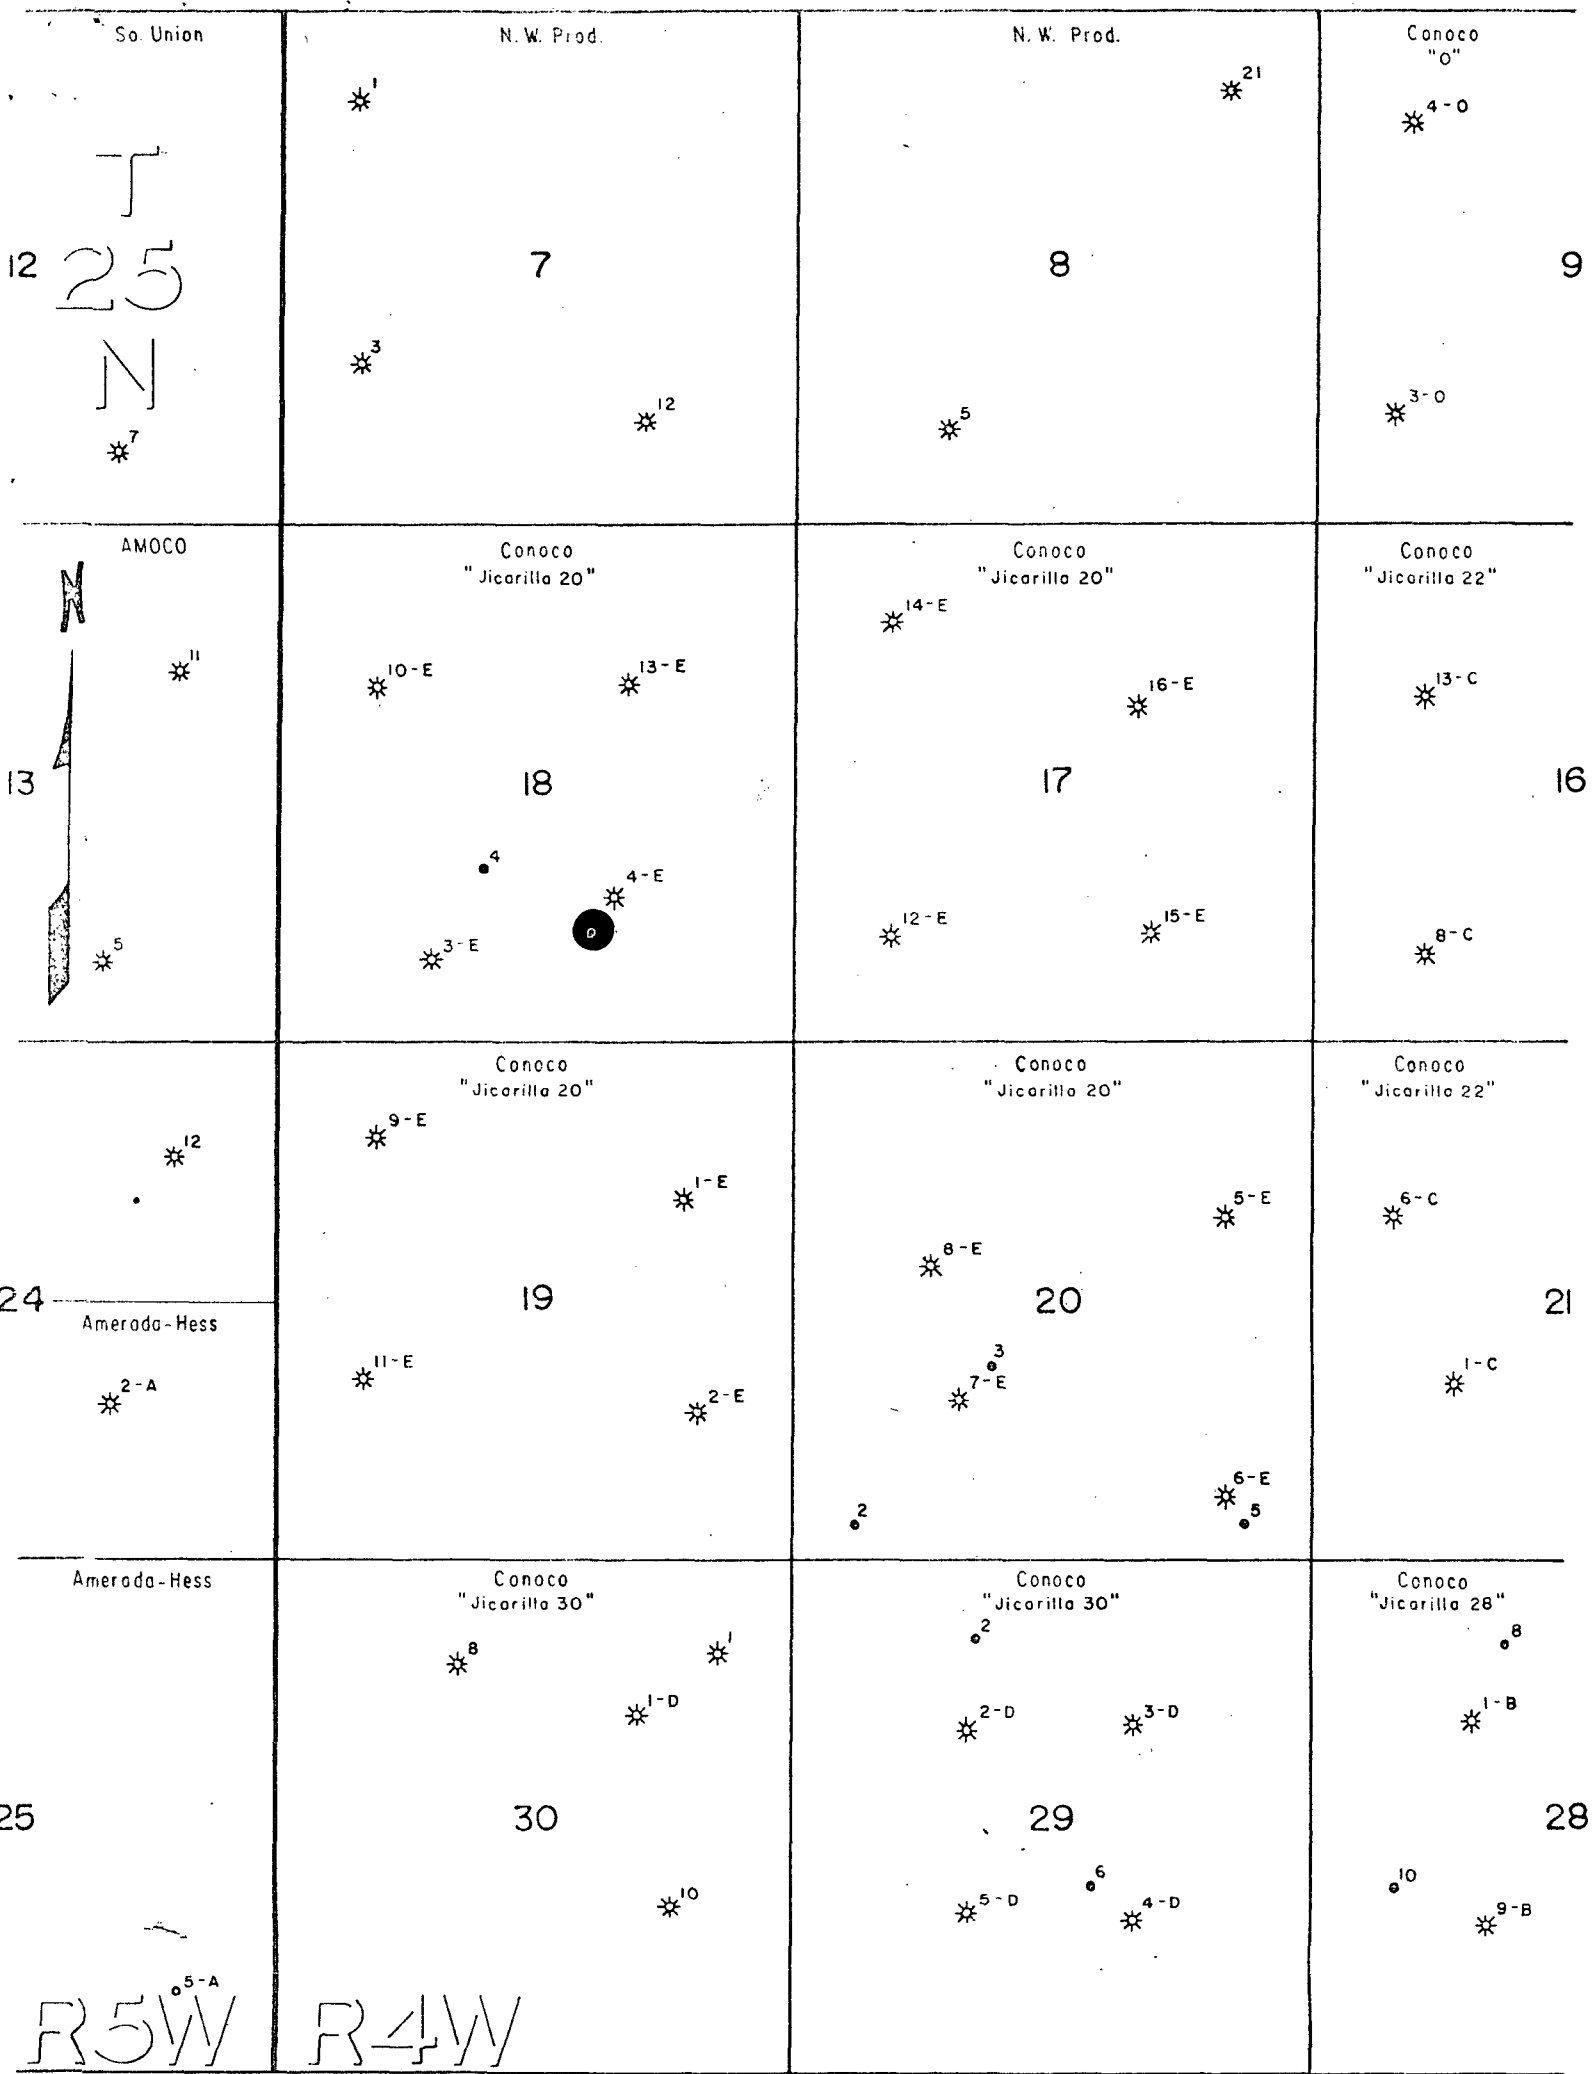

Attached is a topographic map and a map showing all wells in the area.

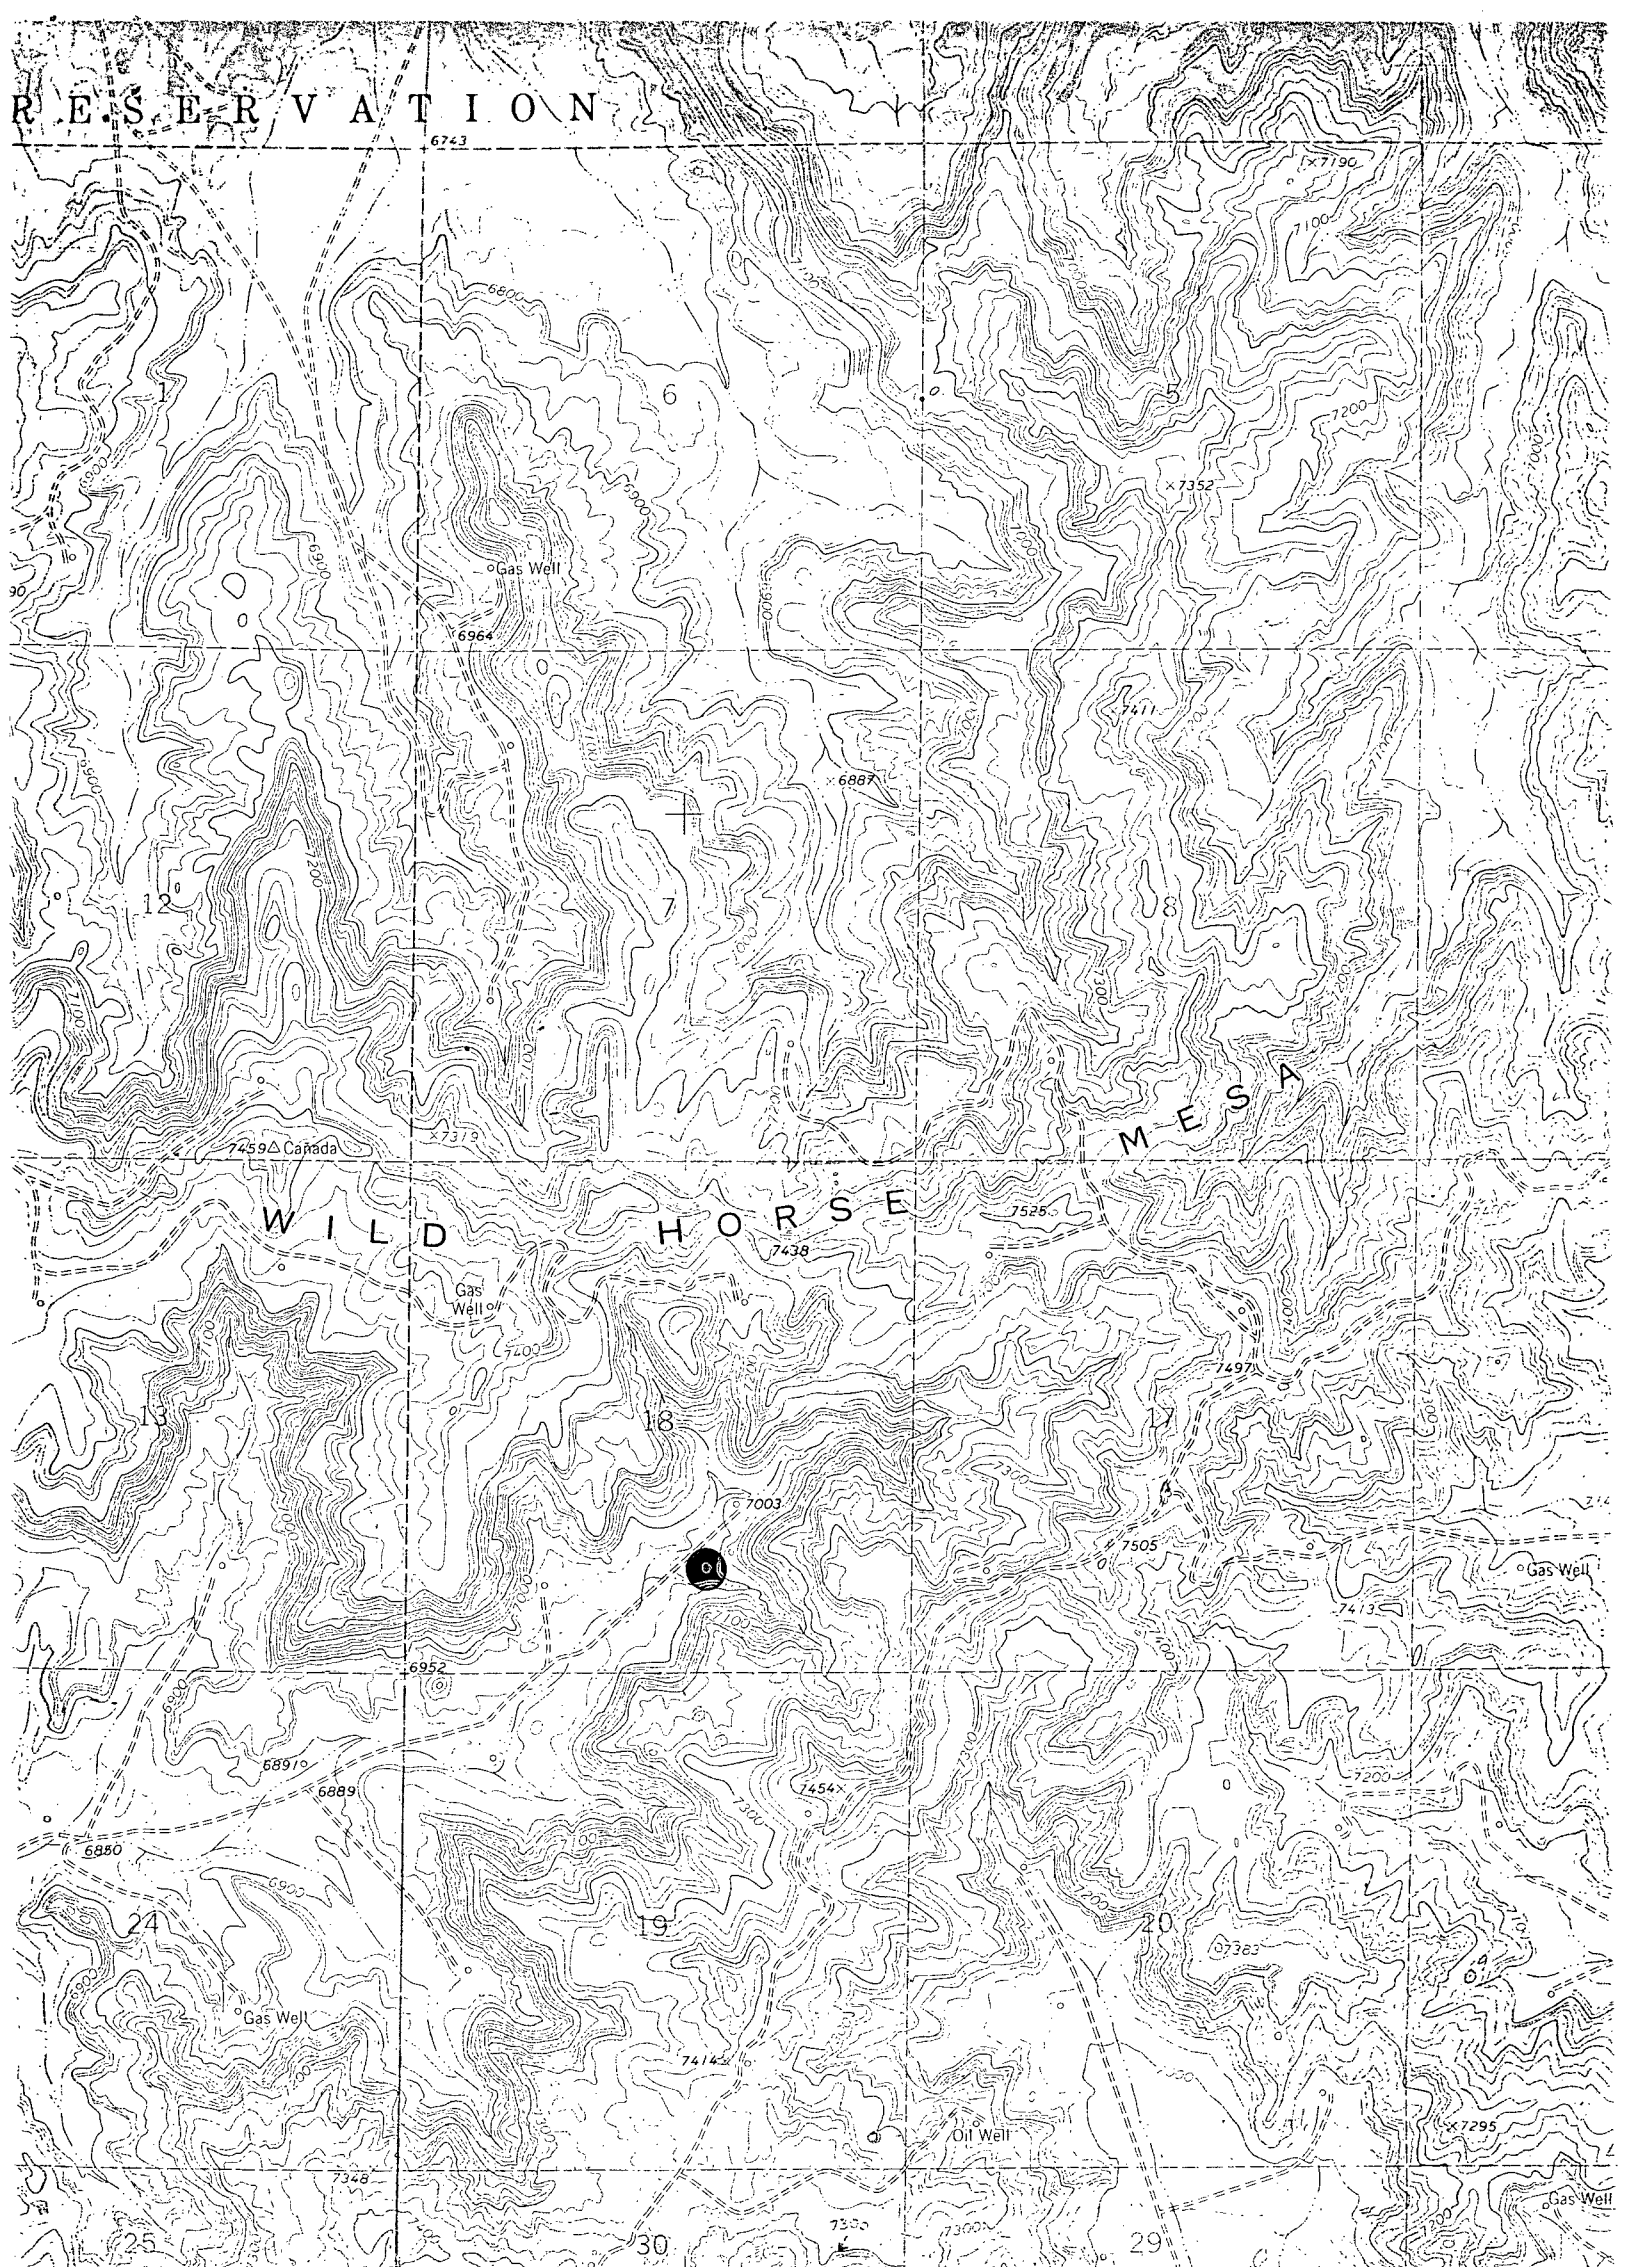

Conoco Inc. is the operator on all acreage around the 160 acre proration unit for this well.

Please contact this office if any further information is required.

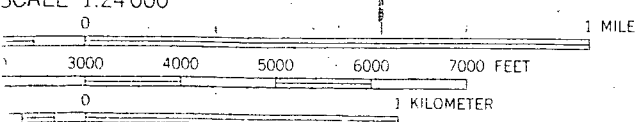

Yours very truly,

LLG:cbd
