Dear Sir,

Yates Petroleum Corporation is proposing to drill the above referenced well. We are requesting administrative approval for this unorthodox location. The reason for moving this well is due to a gas pipeline that is crossing the north half of the original location of 1980' FNL and 1980' FEL.

Enclosed is a topographical map showing the pipeline and a lease map. All offsetting lease acreage is owned by Yates Petroleum Corporation, excepting acreage owned by Leede Exploration who has been notified by certified mail of our intentions.

Formations we expect to drill through are: San Andres, Glorieta, Fullerton, Abo. The well will be an Abo test.

Thank you for your help in this matter.

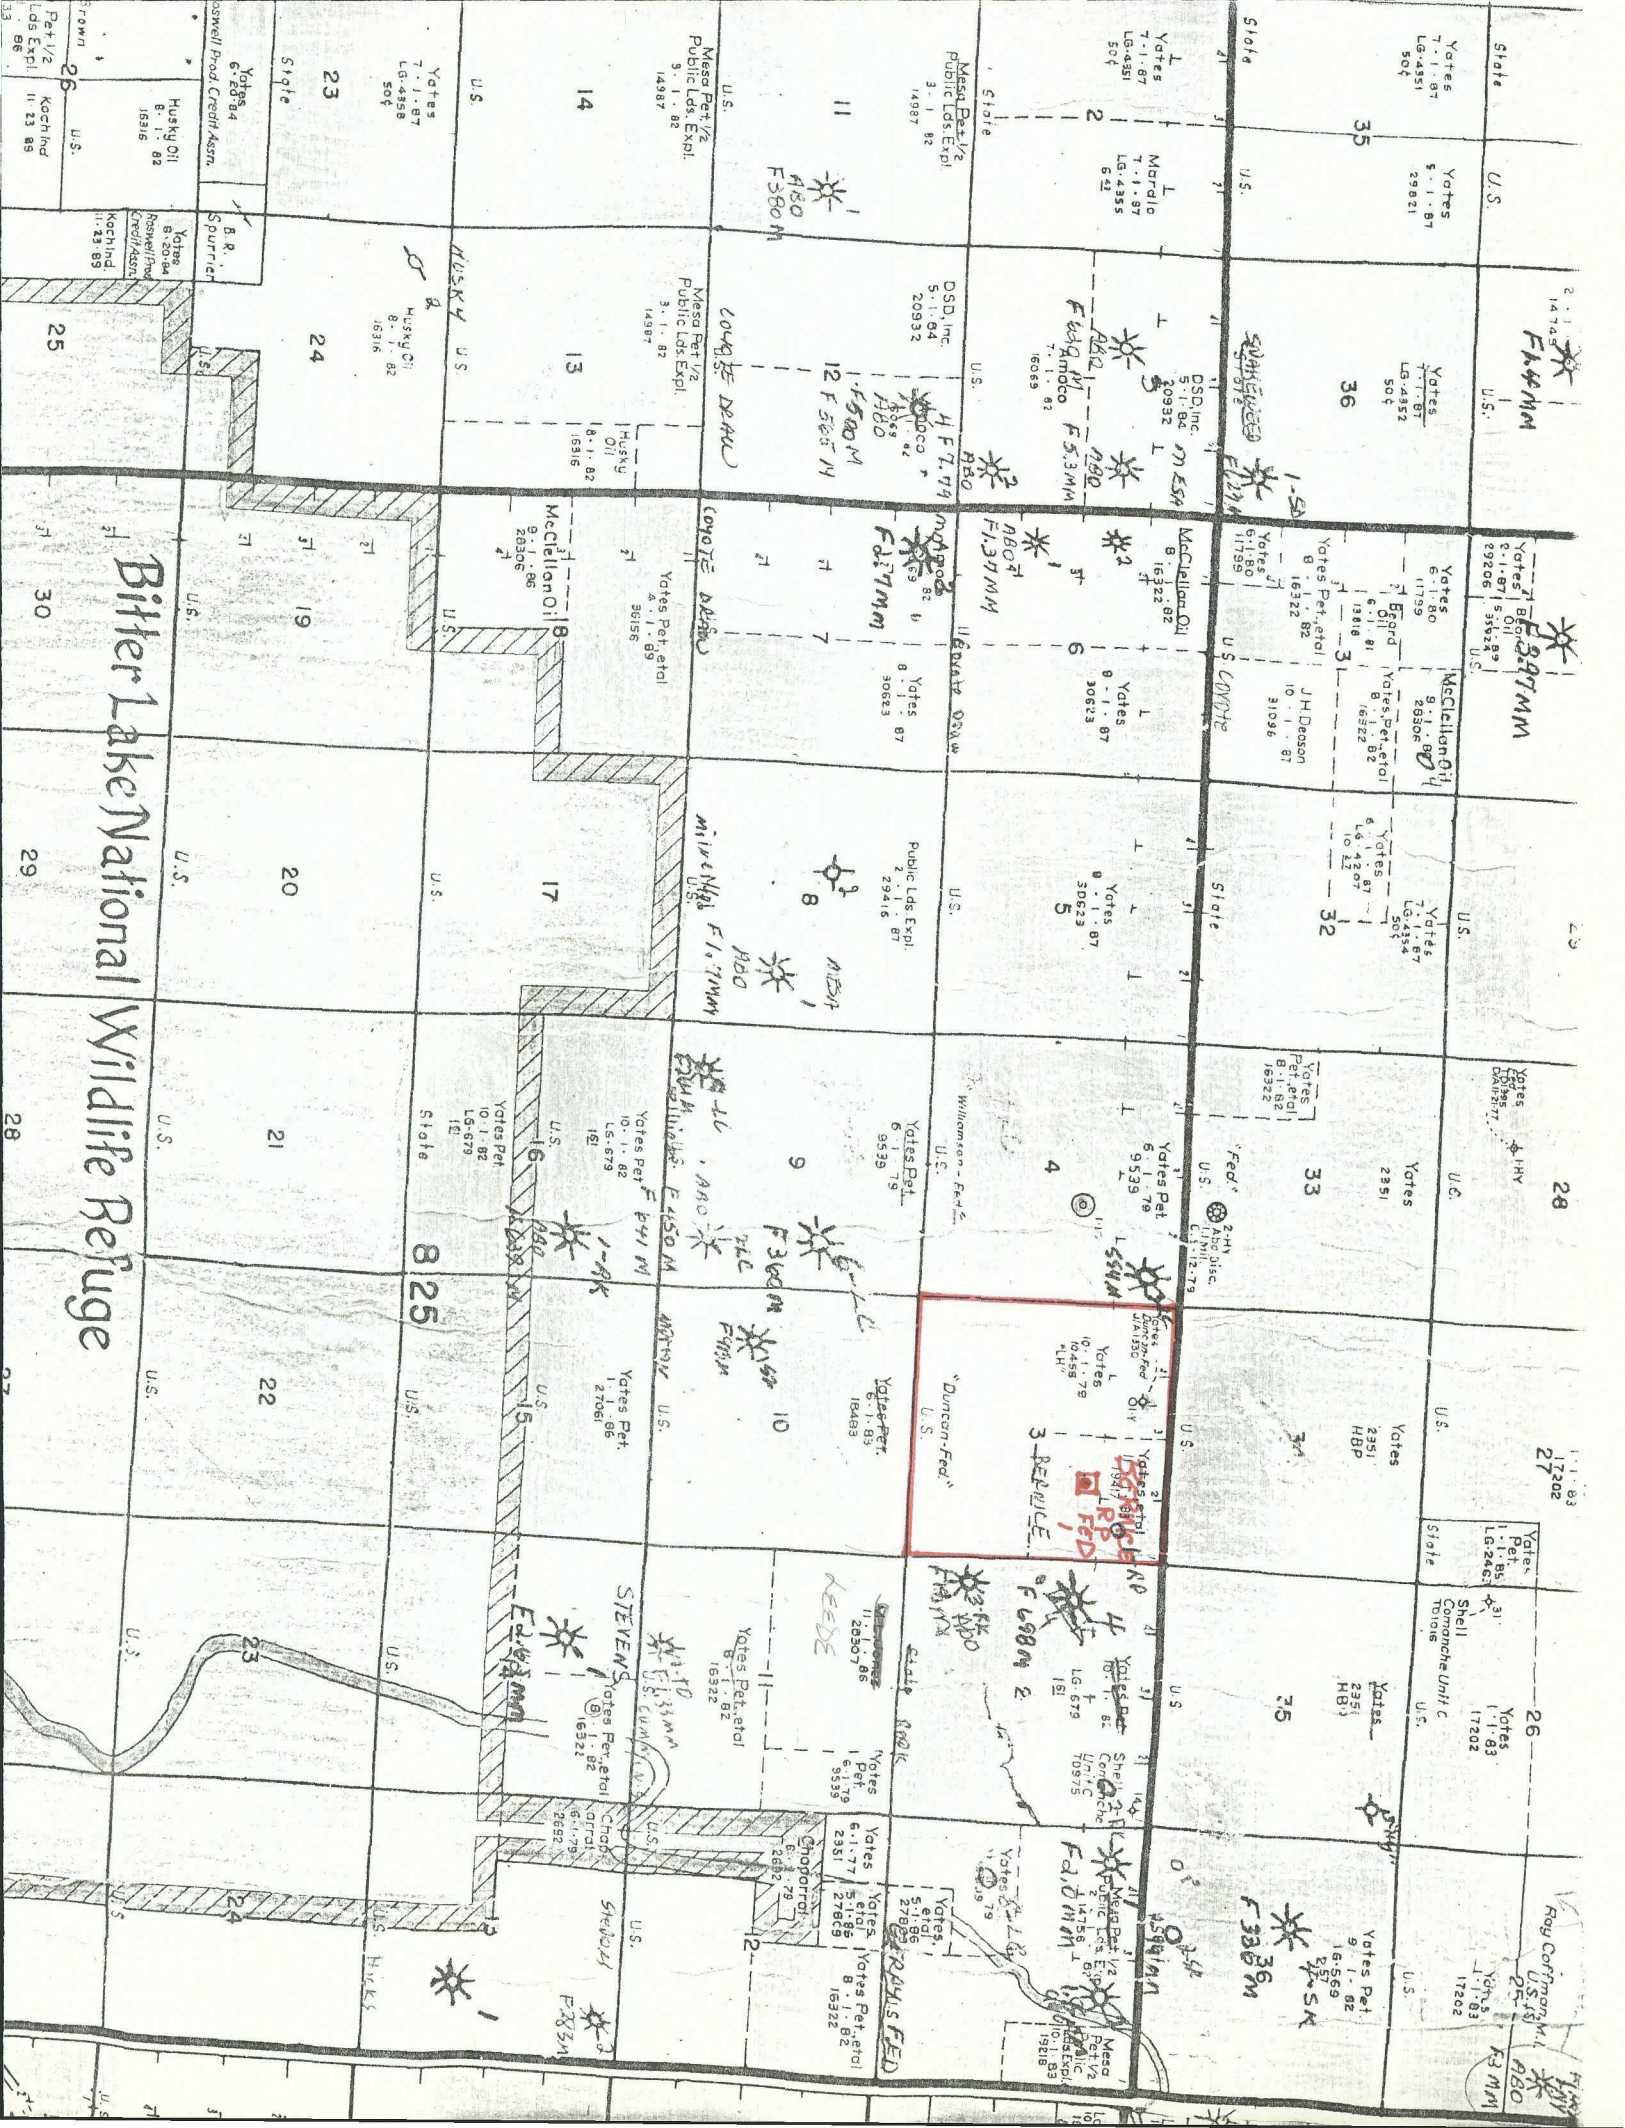

Sincerely,

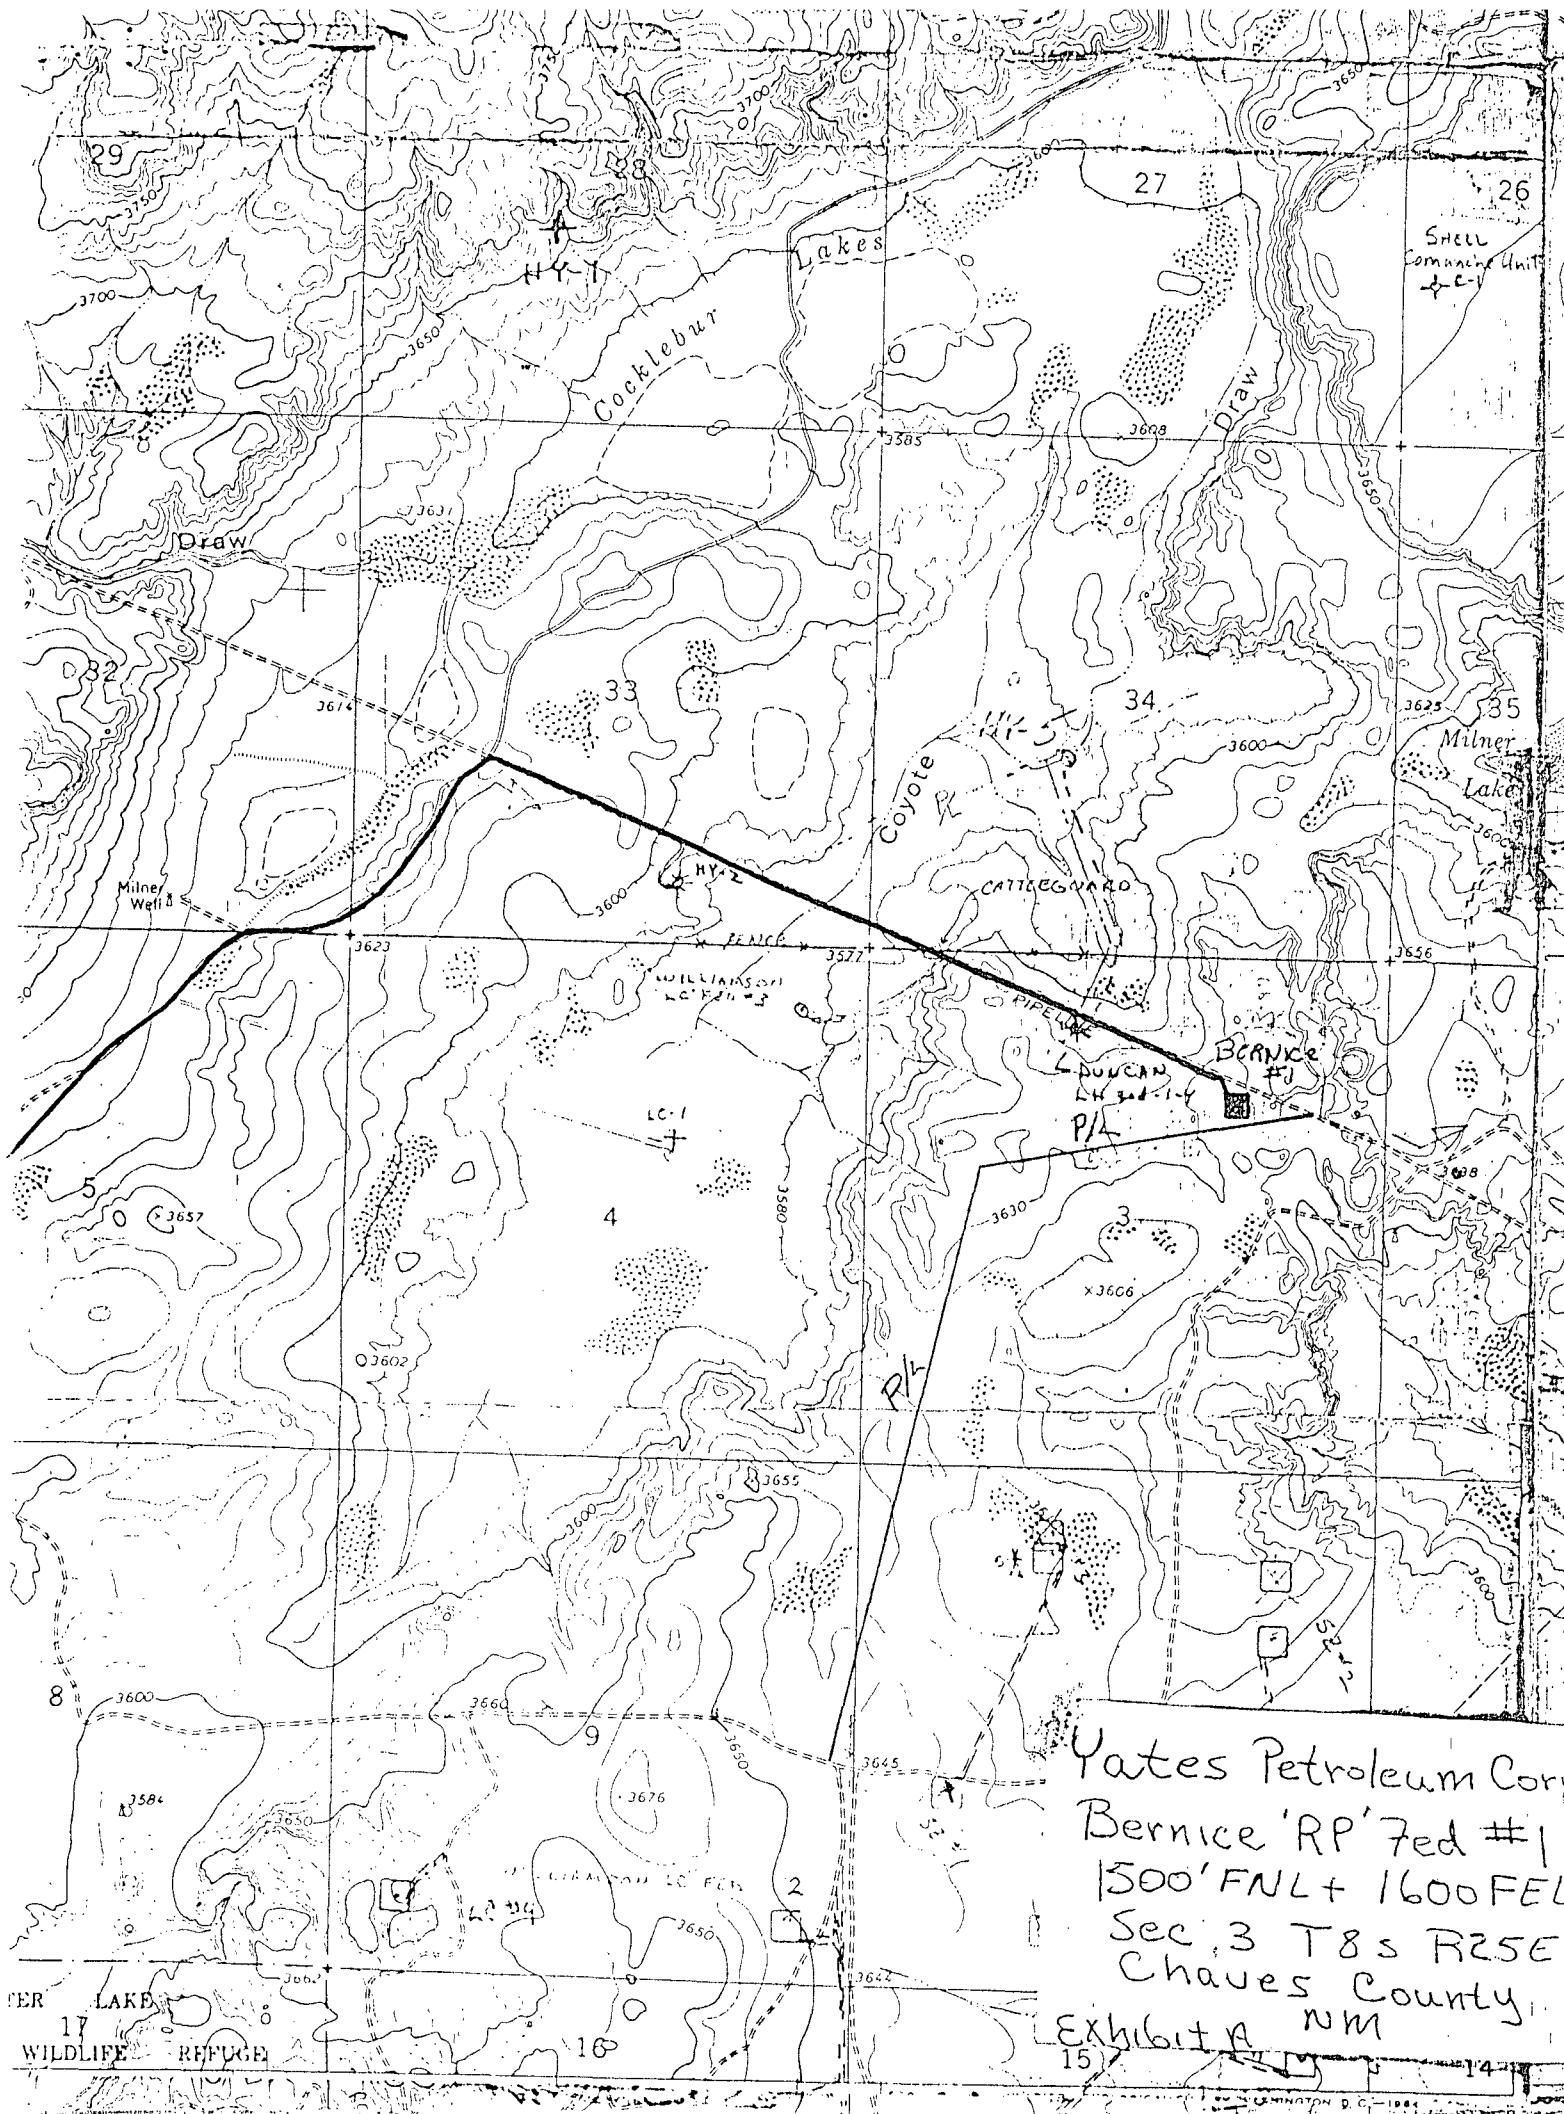

Cy Cowan
