Dear Mr. Ramey:

Application for Unorthodox Location  
Abrams "J" Well No. 1  
Bloomfield Chacra/Armenta Gallup Field  
San Juan County, New Mexico

Amoco Production Company hereby requests approval of an unorthodox location for our Abrams "J" No. 1 at a location 1615' FSL and 1115' FEL, Section 29, T29N, R10W, San Juan County, New Mexico.

The Bloomfield Chacra is orthodox, but the Armenta Gallup is unorthodox. The well was staked at 1615' FSL and 1115' FEL because of topography and the closeness of other existing wells (different formations). See the attached sketch on Form C-102 and a copy of the topo map.

A copy of this application is being sent by certified mail to the offset lease holder, Horace S. McKay, Jr., with the request that he furnish you a waiver of objection and return one copy of the same to me.

Very truly yours,

BTR/eb

I, Horace S. McKay, Jr., hereby waive objection to Amoco's application for an unorthodox location as proposed above.
