AMENDED  
Administrative Order NSL-1926

Gentlemen:

Reference is made to your application for a non-standard location for your MCA Unit Well No. 365Y to be located 1200 feet from the North line and 1580 feet from the East line of Section 29, Township 17 South, Range 32 East, NMPM, Grayburg Formation, Lea County, New Mexico. The NW/4 NE/4 of said Section 29 shall be dedicated to the well.

By authority granted me under the provisions of Rule 104 F(I), the above-described unorthodox location is hereby approved.

Sincerely,

R. L. STAMETS, DIRECTOR

RLS/DC/dr

cc: Oil Conservation Division - Hobbs  
Oil & Gas Engineering Committee - Hobbs  
Bureau of Land Management - Hobbs

REMARKS: This administrative order originally approved the unorthodox location for MCA Unit Well No. 365, to be located 1220 feet from the North line and 1580 feet from the East line of Section 29, T-17-S, R-32-E. Because severe deviation was encountered in the original hole, it was plugged and abandoned and, subsequently, a new hole was spudded 20' to the north of the original location, which has been designated MCA Unit No. 365Y.
