Mr. Richard Stamets
New Mexico Oil Conservation Division
Post Office Box 2088
Santa Fe, New Mexico 87501

Dear Mr. Stamets:

This is a request for administrative approval for an unorthodox gas well location in the Basin Dakota Pool.

It is intended to locate the El Paso Natural Gas Company's San Juan 30-6 Unit #22 at 2010' from the North line and 1960' from the East line of Section 9, T-30-N, R-6-W, Rio Arriba County, New Mexico.

The existence of Navajo Lake Reservoir in the Northwest corner of this section makes it impossible to build an orthodox gas well location.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a Waiver of Objection, and return one copy to this office.

Plats showing the proposed well location and the lake in Section 9, along with an ownership plat, are attached.

Sincerely yours,

A handwritten signature in dark ink, appearing to read "G. W. Brink".

G. W. Brink
Project Drilling Engineer
