AMENDED
Administrative Order NSL-2022

Gentlemen:

Reference is made to your application on behalf of Mewbourne Oil Company for a non-standard location for their State "H" Well No. 1Y to be located 660 feet from the North line and 1040 feet from the East line of Section 7, Township 16 South, Range 34 East, NMPM, Lea County, New Mexico. The N/2 of Section 7 shall be dedicated to the well.

By authority granted me under the provisions of Rule 104 F(II), the above-described unorthodox location is hereby approved.

Sincerely,

A handwritten signature in cursive script, appearing to read "R. L. Stamets".

R. L. STAMETS, DIRECTOR.

REMARKS: Due to mechanical difficulties encountered in the drilling of the State "H" No. 1 well, which was previously approved at a location 660 feet from the North line and 990 feet from the East line of Section 7, the well had to be plugged and abandoned. This amended Administrative Order authorizes the moving of the well location 50' to the East as described above.
