Eddy County, New Mexico

Mr. David Catanack
New Mexico Oil Conservation Commission
P. O. Box 2088
Santa Fe, New Mexico 87501

Dear Mr. Catanack:

In reference to our phone conversation of today, I have enclosed sketches showing the reasons the unorthodox location was chosen for the above referenced well.

As is shown in the sketches, there are archeological and topographical conditions that determined the location of this well.

If I can be of any further assistance, please do not hesitate to call me at (915) 686-4406.

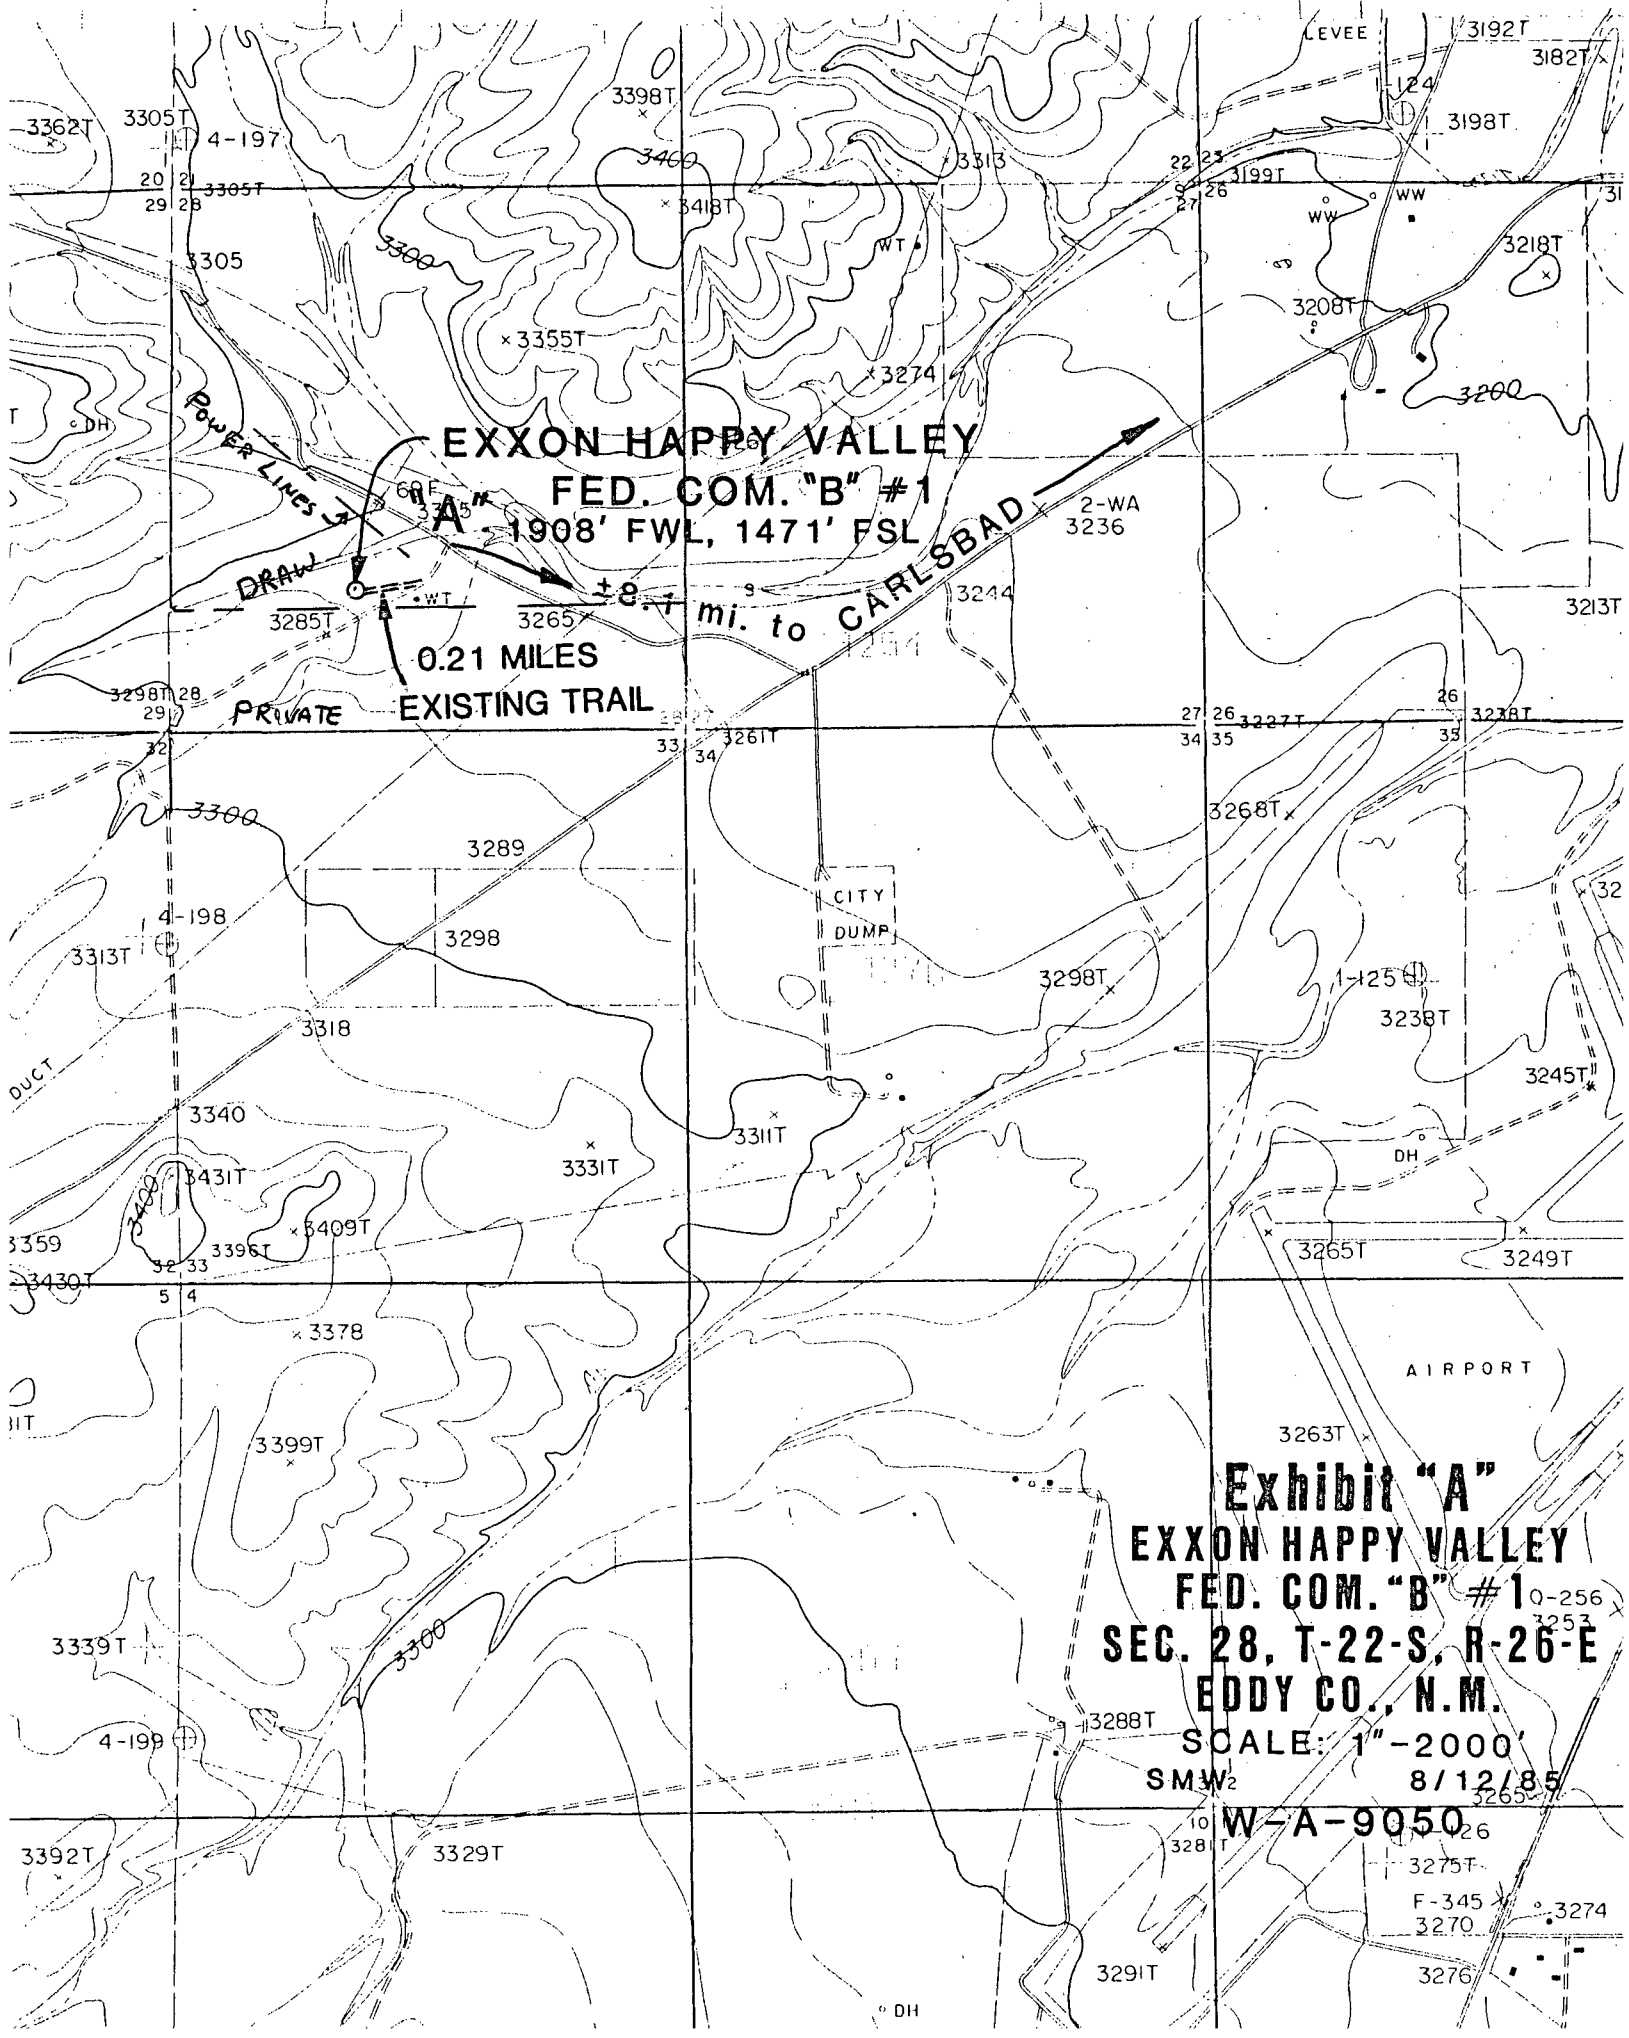

Sincerely,

Melba Knipling
