RE: Request for Approval Unorthodox Well Location, San Juan Co., NM

Gentlemen:

Please consider this letter as a request for approval of an unorthodox well location for the below listed well:

O. H. Rändel #10  
1060' FSL & 820' FEL, of Sec. 9-T26N-R11W  
San Juan Co., NM

The purpose of this request is based on topographical conflicts. The well site is located in the Navajo Irrigation Project Area and is immediately adjacent to cultivated farmland. The move from a legal location was necessary to minimize conflicts with existing farming operations. Energy Reserves Group is the operator of Section 9, 10, and 15 - T26N-R11W. The NE 1/4 of Section 16 is operated by Amoco and Meridian Oil. They have been notified by Certified Mail as of this date (see attached letter).

Very truly yours,  
ENERGY RESERVES GROUP, INC.
