RULE-104A(1)

320 Acres ded.
w/2 Section 36

Dear Mr. Stamets:

This is a revised request for administrative approval for an unorthodox gas well location in the Blanco Mesa Verde Pool.

It is intended to locate the El Paso Natural Gas Company's Brookhaven Com #18 at 2510' from the South line and 1330' from the West line of Section 36, T-27-N, R-8-W, San Juan County, New Mexico.

Extremely rough terrain in the form of steep cliffs makes it impossible to build an orthodox location in the southwest quarter of this section.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a Waiver of Objection, and return one copy to this office.

Plats showing the proposed well location and the terrain in Section 36, along with an ownership plat, are attached.

Sincerely yours,

G. W. Brink
