Gentlemen:

Mobil Producing TX & NM, Inc. (MPTM), respectfully requests authority to recomplete the subject well to an undesignated field, at an unorthodox location. The well was previously drilled and completed in the Vacuum Middle Pennsylvanian, at a regular location.

This request is necessary, as required by the North Vacuum Lower Wolfcamp Pool Field Rules, due to the well being more than 150 feet from the center of the quarter-quarter section.

The following items are being submitted, in triplicate, in support of this request:

1. Form C-101 - Application for Permit to Drill, Deepen or Plug Back;
2. Form C-102 - Well location and acreage dedication plat;
3. Map showing Offset Operators;
4. Copy of Certified letter to Offset Operators.

Yours very truly,
