Gobblers Knob 30 Federal Com., Well No. 1, Located
2180' FSL & 1980' FWL of Section 30, T22S, R26E
Eddy County, New Mexico.

Dear Mr. Catanach:

Due to the topographical conditions of the location for the above named well (see attached Exhibit "A"), HNG Oil wishes to apply for a non-standard permit.

Mr. Barry Hunt with the Bureau of Land Management inspected the location on July 15, 1986, and would prefer the well be drilled as staked in order to eliminate as many cuts and disturbances to the land as possible.

Very truly yours,

HNG OIL COMPANY
