SE1/4, Section 34*

Dear Mr. Stamets:

Union Texas Petroleum requests administrative approval of an unorthodox location for an Otero Chacra well. The request is necessitated because of topography. The well is located on the east edge of the Armenta Arroyo.

Attached for your review are well plats and a topographic map. All offset operators have been notified of our intentions. If I may be of any further assistance, please advise.

Very truly yours,

Robert C. Frank
