Dear Mr. LaMay:

Due to the non-standard proration unit created by non-conforming Malaga tracts on the above-named lease, Enron Oil cannot comply with Bone Springs Pool rules which would place the well within 150 feet of the center of any quarter-quarter section.

The following offset operators have been notified by certified mail of our request for an unorthodox location permit:

✓ Kaiser-Francis Oil Company  
P. O. Box 21468
