RE: Application for Administrative Approval of
Unorthodox Location for Mallon Oil Company
Mallon 480 #1 Jicarilla Well, 2310' FSL & 2000' FWL,
Sec. 21, T2&N, RLW, NMPM, Rio Arriba County, New Mexico

*Undesignated Gallery
and Dakota Pools*

Dear Sir:

We hereby request approval of an unorthodox location for the above captioned well under the provisions of NMCD Rule 104-F. Copies of the C-102, topographic map, and a map showing offsetting leasees are attached for your reference.

The unorthodox location is necessary due to the rough terrain, as evidenced by the attached Topo map. The location for the Mallon 480 #1 Jicarilla well is a standard location for a 40 or 80 acre Mancos oil well but is unorthodox for a 320 acre Basin-Dakota gas well.

A copy of this application is being submitted to all offsetting leasees by certified mail with a request that they furnish your office with a waiver of objection.

Your attention to this matter is greatly appreciated.

Sincerely,

MALLON OIL COMPANY
