Section 10-T28N-R11W

Dear Mr. LeMay:

Union Texas Petroleum requests Administrative Approval for an Unorthodox Location for an Otero Chacra recompletion. This well is currently completed in the Armenta Gallup. The Gallup and Chacra will be commingled pursuant to Order DHC-651 issued June 10, 1987. A sundry notice has been filed outlining the aforementioned procedure.

The only offset operators adjacent to the Otero Chacra "proration" unit are Meridian Oil, Inc., Marathon Oil Company, Mesa Petroleum, Dugan Production Company and Flag-Redfern Oil Company. They were notified by a letter of this date of our intentions.

If I may be of any further assistance, please advise.

Very truly yours,

Robert C. Frank
