Dear Mr. Catanach:

Request for Unorthodox Location - MCA Unit No. 376, 1300' FSL and 2440' FWL, Section 23, T-17S, R-32E, Lea County, NM. Maljamar Grayburg/San Andres

Conoco Inc. respectfully requests administrative approval to drill the subject well at an unorthodox location in unit letter N, 1300' FSL & 2440' FWL, Section 23, T-17S, R-32E, Lea County, New Mexico. This well will be drilled on 20-acre spacing as provided for in Order No. 2403, dated December 31, 1962.

The drilling of the MCA Unit No. 376 at a non-standard location is necessary to permit the completion of an efficient production and injection pattern within a pressure maintenance project.

Attached is a plat of the proposed location, Form C-102 showing well location and dedication. There are no offset operators. Please contact Ed Kepford at ext. 120 of this office if you have any further questions.

Yours very truly,
