Dear Mr. LeMay:

This is a request for administrative approval for an unorthodox gas well location in the Undesignated Fruitland Pool.

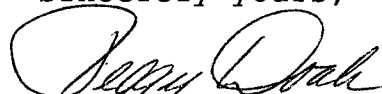

It is intended to locate the El Paso Natural Gas Company's San Juan 32-5 Unit #103 at 2430' from the North line and 1560' from the East line of Section 24, T-32-N, R-6-W, Rio Arriba County, New Mexico.

Extremely rough terrain in the form of steep cliffs makes it impossible to build an orthodox location in the southeast quarter of this section.

El Paso Natural Gas Company is the operator of this unit.

Plats showing the proposed well location and the terrain in Section 24, along with an ownership plat, are attached.

Sincerely yours,

Peggy Doak
