Mr. William LeMay, Director  
State of New Mexico  
Energy & Minerals Department  
Oil Conservation Division  
P. O. Box 2088  
Santa Fe, NM 87501-2088

Dear Mr. LeMay:

Request for Unorthodox Location - Jicarilla 20 No. 13, 1490' FNL & 1150' FEL, Section 20, T25N, R4W, Rio Arriba County, New Mexico. West Lindrith Gallup Dakota Pool

Conoco Inc. respectfully requests administrative approval to drill the subject well at the unorthodox location stated above.

This unorthodox location, which was agreed upon by Conoco, Bureau of Land Management, and Bureau of Indian Affairs personnel, was selected due to the rough terrain in this area including deep ravines to the south and east of the proposed location.

Conoco is the only offset operator to this proposed location.

Attached is a lease map and Form C-102 showing the well location and dedication. Please contact Ceal Yarbrough at (505) 397-5825 if you have any questions.

Yours very truly,

*David L. Wacker*
