Farmington, NM 87499-0809

Attention: Fran Perrin

Administrative Order NSL-2627

Dear Ms. Perrin:

Reference is made to your applications of October 18, 1988 and January 30, 1989 for a non-standard coal gas well location for your Carracas Unit 14-A Well No. 13 to be located 230 feet from the South line and 380 feet from the West line (Unit M) of Section 14, Township 32 North, Range 5 West, NMPM, Basin Fruitland Coal (Gas) Pool, Rio Arriba County, New Mexico. The S/2 of said Section 14 shall be dedicated to the well forming a standard 320-acre gas spacing and proration unit for said pool.

By the authority granted me under the provisions of Rule 8 of the Special Rules and Regulations for the Basin-Fruitland Coal (Gas) Pool as promulgated by Division Order No. R-8768, the above-described unorthodox coal gas well location is hereby approved.

Sincerely,

  
William J. LeMay  
Director
