Administrative Order NSL-2638

Dear Mr. Padilla:

Reference is made to your application of February 7, 1989, on behalf of BCO, Inc., for a non-standard coal gas well location for your existing Alamito Unit Well No. 1 presently completed as a Wildcat Chacra Gas Well and located 840 feet from the South line and 1840 feet from the East line (Unit O) of Section 32, Township 23 North, Range 7 West, NMPM, Basin Fruitland Coal (Gas) Pool, Sandoval County, New Mexico. The S/2 of said Section 32 shall be dedicated to the well forming a standard 320-acre gas spacing and proration unit for said pool.

By the authority granted me under the provisions of Rule 8 of the Special Rules and Regulations for the Basin-Fruitland Coal (Gas) Pool as promulgated by Division Order No. R-8768, the above-described unorthodox coal gas well location is hereby approved.

Sincerely,

A handwritten signature in cursive script, appearing to read "William J. LeMay".
