Dear Mr. Ragsdale:

Reference is made to your application of June 5, 1989 for a non-standard gas well location for your Leeman Federal Well No. 5 to be located 1525 feet from the South line and 1915 feet from the West line (Unit K) of Section 1, Township 9 South, Range 25 East, NMPM, South Pecos Slope Abo Gas Pool, Chaves County, New Mexico. The SW/4 of said Section 1 shall be dedicated to the well forming a standard 160-acre gas spacing and proration unit for said pool.

By the authority granted me under the provisions of General Rule 104 F(I), the above-described unorthodox gas well location is hereby approved.
