*RE: Correction to Administrative Order NSL-2710*

Dear Mr. White:

It appearing to the Division that Administrative Order NSL-2710, dated November 20, 1989 does not correctly state the intended order of the Division. The description of the location for the Oxnard "B" Well No. 3 should read, "450 feet from the North line and 655 feet from the East line."

All other provisions of said Order NSL-2710 shall remain in full force and effect.

Sincerely,

A handwritten signature in cursive script that reads "Michael E. Stogner".
