Attention: Fran Perrin

Administrative Order NSL-2690

Dear Ms. Perrin:

Reference is made to your application of July 31, 1989 for a non-standard coal gas well location for your Carracas Unit 22-B Well No. 9 to be located 1830 feet from the South line and 880 feet from the East line (Unit I) of Section 22, Township 32 North, Range 4 West, NMPM, Basin Fruitland Coal (Gas) Pool, Rio Arriba County, New Mexico. The S/2 of said Section 22 shall be dedicated to the well forming a standard 320-acre gas spacing and proration unit for said pool.

By the authority granted me under the provisions of Rule 8 of the Special Rules and Regulations for the Basin-Fruitland Coal (Gas) Pool as promulgated by Division Order No. R-8768, the above-described unorthodox coal gas well location is hereby approved.

Sincerely,

A handwritten signature in cursive script, appearing to read "William J. LeMay".

William J. LeMay
