Attention: David Stewart

Administrative Order NSL-2697

Dear Mr. Stewart:

Reference is made to your application of August 14, 1989 for a non-standard gas well location for your State EC Well No. 1 to be located 990 feet from the South line and 1880 feet from the West line (Unit N) of Section 36, Township 23 South, Range 23 East, NMPPM, Undesignated East Hess-Morrow Gas Pool, Eddy County, New Mexico. Lots 1, 2, 3 and 4 and the N/2 S/2 of said Section 36 shall be dedicated to the well forming a 318.47-acre gas spacing and proration unit for said pool.

By the authority granted me under the provisions of General Rule 104 F(I), the above-described unorthodox gas well location is hereby approved.

Sincerely,

A handwritten signature in dark ink, appearing to read 'William J. LeMay', with a long, sweeping line extending from the end of the signature down towards the distribution list.

William J. LeMay  
Director
